In the Ultimate Guide to Personal Finance I want to not only show you how to break the chains of debt but also show you how to turn all those payments into wealth. It drives me crazy when I think about all the debt most of us carry. The ultimate goal is to teach you how to start making money work for you. We go to school to learn a profession so we can work for money. But we never go beyond that way of thinking. What you can do to protect yourself in any economy. How to build a successful financial plan. How to make the financial system work for you instead of the banks.
