The Taming of the Shrew William Shakespeare, 2022-01-11 The Taming of the Shrew 1592 is a comedy by William Shakespeare Written between 1590 and 1592 The Taming of the Shrew is one of Shakespeare's earliest works Frequently critiqued by scholars for its demeaning portrayal of Katherina and for Petruchio's violence the play has also been considered as an ironic treatment of the inequality experienced by women in marriage The Taming of the Shrew has served as source material for countless film and television adaptations including McClintock 1963 starring John Wayne and Maureen O Hara If I be waspish best beware my sting For his wit and wordplay alone William Shakespeare is often considered the greatest writer to ever work in the English language Where he truly triumphs however is in his ability to portray complex human emotions how these emotions contribute to relationships and how these relationships interact with politics culture and religion The Taming of the Shrew like many of Shakespeare's works begins with a framing device Christopher Sly a notorious drunk has come to believe that he is a lord In order to distract him his fellow denizens of the alehouse stage a play set in Padua As suitors line up to marry the beautiful young Bianca they find themselves prevented by her father's only rule her older sister Katherina must be married first Notoriously independent Katherina the shrew of the title simply refuses to tie herself to a man When Petruchio arrives from Verona in search of a wife he finds himself up for the challenge With a beautifully designed cover and professionally typeset manuscript this edition of William Shakespeare's The Taming of the Shrew is a classic of English literature reimagined for modern readers *The taming of the shrew* William Shakespeare, 2005

The Taming of The Shrew William Shakespeare, 2010-04-26 This edition disengages Shakespeare's exuberant and disturbing marital farce from the tangled history of its reception It views the two 16th century Shrew plays as textually independent but theatrically interdependent

The Taming of the shrew William Shakespeare, 1896 Renowned as Shakespeare's most boisterous comedy The Taming of the Shrew is the tale of two young men the hopeful Lucentio and the worldly Petruchio and the two sisters they meet in Padua Lucentio falls in love with Bianca the apparently ideal younger daughter of the wealthy Baptista Minola But before they can marry Bianca's formidable elder sister Katherine must be wed Petruchio interested only in the huge dowry arranges to marry Katherine against her will and enters into a battle of the sexes that has endured as one of Shakespeare's most enjoyable works *The Taming of the Shrew* William Shakespeare, 2000-02 Applause Books If there has ever been a groundbreaking edition that likewise returns the reader to the original Shakespeare text it will be THE APPLAUSE FOLIO TEXTS If there has ever been an accessible version of the Folio it is this edition set for the first time in modern fonts The Folio is the source of all other editions The Folio text forces us to re-examine the assumptions and prejudices which have encumbered over four hundred years of scholarship and performance Notes refer the reader to subsequent editorial interventions and offer the reader a multiplicity of interpretations Notes also advise the reader on
