The Shifting And Incidence Of Taxation:

The Shifting and Incidence of Taxation Edwin Robert Anderson Seligman, 1910 Looks at the history of the theories of taxation by studying taxes on agricultural land real estate taxes and mortgage taxes Also studies many theories on taxes from Capitalization theory Eclectic theory and Agnostic theories among others

The Shifting and Incidence of Taxation Edwin R. A. Seligman, 2015-06-26 The Shifting and Incidence of Taxation is a title authored by Edwin Seligman a professor at Columbia University This work is an examination of the effect of taxes on economic welfare For as long as there have been taxes there have been varying philosophies on how the system of taxation should be structured The purpose of Edwin Seligman's *The Shifting and Incidence of Taxation* is to provide the reader with an overview of the various approaches to tax incidence and examine the impacts on the individual under different systems of taxation The author has divided the work into two distinct parts Part one examines the history of the doctrine of incidence highlighting both early and more modern approaches to the topic Part two provides the reader with a detailed analysis of incidence as commonly deployed and includes a thorough examination of the various forms of taxes and overarching taxation principles The book concludes with a section providing advice to legislators as well as a bibliography *The Shifting and Incidence of Taxation* is a thorough handling of its subject matter The title attempts to walk the fine line between accessibility and accuracy and is largely successful making this a work that can be appreciated both by economists and those with little formal background in the theories of taxation Having been published in the nineteenth century this work is also valuable for the snapshot in time that it provides of the tax system in the late 1800s Readers interested in theories of taxation will surely find *The Shifting and Incidence of Taxation* to be a compelling read About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Shifting and Incidence of Taxation Edwin Robert Anderson Seligman, 2019-02-23 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we

concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
