The Era of the Antichrist Ysatis De Saint-Simon, 2002-06-01 The Era of the Antichrist is not just a book It is a prophecy that is being fulfilled everyday corroborated in our daily news magazines newspapers etc This is not a strange coincidence because we live now in the Era of the Antichrist This is why The Era of the Antichrist is not a regular book it is a living book that is happening around us visually and invisibly it becomes alive in your life it reveals to you the mysteries of the self and its link to the Antichrist secrets and mysteries that have been hidden for thousands of years and whose understanding is paramount for our souls survival In short it makes you aware of the forces within and without yourself that influence your life Saint John used in his book of the Apocalypse precise symbols and arithmetic ciphers that were Understood only by early Christian Gnostics both numbers and symbols have been approached superficially for lack of the experiential Knowledge of God It is only this rare gift what makes of a man a Gnostic and gives him what Saint John called Understanding This is why he makes sure to specify Let those who have Understanding compute the number of the beast for it is the name of a man And his number is 666 Those who have only the logic intellectual knowledge to decipher them have believed Saint John's numbers to be without more meaning than the symbolic This is a capital error no one is able to understand correctly anything written in the Sealed book of Saint John one of the most mysterious manuscripts ever written without the secret numerological code especially when we deal with the Antichrist Without the code used to unveil the mysteries its literally impossible to discover his true identity or to know why does he have so much power over human beings Many have made superficial conclusions about the identity of the Antichrist some of the most popular were based on the misinterpretation of a prophecy of Nostradamus others have been overtly based on social preferences or fears i e Hitler Gorbachev Saddam Hussein any of the Popes etc Meanwhile the true identity of the Antichrist remained unknown and well protected behind the wall built around him by all these wild theories about his identity As I said before the early Christian Gnostics used specific systems of numbers and symbols to protect from malice or distortion of truth the High Mysteries of Christianity and to communicate them to each other without

endangering their purity as only those possessing the secret code could disclose them They were forced to do this not only to protect the purity of the Christ Mystery but also the knowledge they had of other mysteries who concerned the adversary forces the ones whose role is to oppose the Christ on earth One of these mysteries maybe the most feared of all is the mystery of the number 666 the number of the adversary of the Christ the satanic beast who is supposed to reign on the earth as the false Messiah his identity is also the most misinterpreted identity of history Well that is not the case anymore The Era of the Antichrist reveals his true identity Oddly enough because we must be very near to the time when he is going to reveal himself his followers are willingly corroborating the information given in this book by acknowledging that they have been working for this end for hundreds and thousands of years and by talking openly for the first time in history about their preparation for his coming and the great benefits that the world is going to receive by having someone like him change things on earth etc Our Savior in the course of His instructions to the apostles about the coming of His adversary gave them special signs to watch for that would signal the end of times but no date To that I adhere myself because if He Who Is the Beginning and the End gave only the signs and no specific time is because of a perfect understanding of things So I follow His direction observe the signs and put the action to communicate them to others Like it or not most of the signs have already been fulfilled this may be pleasant or unpleasant to hear but in these times Truth more than ever is a life saver being handed to you which may help you to survive So I exhort those who have ears to hear and who want to be part of His Kingdom to inform themselves correctly about the true identity of the adversary of the Christ because he will deceive many even the elect if that were possible as Our Lord Jesus Himself said The Era of the Antichrist uses the secret numerological code used by Valentinus a disciple of Saint John to unveil the identity of the dreaded beast of the Apocalypse The only correct computation and conclusions that I have knowledge of were made by Rudolph Steiner and G R Mead and both had a different aspect than the one presented in The Era of the Antichrist because the time of the Antichrist was not due yet But now the time is ripe and the breaking of the seals of mystery of the Apocalypse is possible It is now also possible to offer a book like this to the general public because there are technological mediums that allow us to communicate in ways that before were not possible Book distribution for instance was before controlled by big publishing houses which would probably have stopped most books containing a subject such as this if it was accurate and true from reaching the public The big difference between The Era of the Antichrist and other books in which there are diverse intellectual theories given about the mystery of the Antichrist is that The Era of the Antichrist does not theorize or uses a modern system of numerology it computes as Saint John directed us to do It unveils the identity of the Antichrist not by intellectual conclusions but by disclosing its mystery with if not the same numerical code that Saint John used a code one of his disciples used and which was in use in 96 AD the time when Saint John wrote his document The Era of the Antichrist is a book for our era a book of spiritual survival The correct Understanding of this matter is vital for the souls of every living being As vital as to know what

to do when a killer hurricane is coming If you have a hurricane preparedness pamphlet and you follow its instructions chances are that you will be able to survive the hurricane Please use it well *On Providence and Other Essays* Ulrich Zwingli,1999-10-13 A collection of of Zwingli s later writings 1525 1531 including such works as his treatise on original sin essay on providence and his Short and Clear Exposition of the Christian Faith Songs of Grace and Glory ... Hymnal treasures of the Church of Christ, from the sixth to the nineteenth century. Edited by C. B. Snepp ... Seventh thousand Charles Busbridge SNEPP,1872 *The Journal of the Anthropological Institute of Great Britain and Ireland* ,1888 The Royal Tombs of the First Dynasty William Matthew Flinders Petrie,2013-09-19 This fully illustrated excavation report on the early Egyptian royal tombs at Abydos was first published in 1900 **The Petrine Instauration** Robert Collis,2011-12-16 The reign of Peter the Great 1672 1725 was marked by an unprecedented wave of reform in Russia This book provides an innovative reappraisal of the Petrine Age in which hitherto neglected aspects of the tsar s transformation of his country are studied More specifically the reforms enacted by the tsar are assessed in light of the religious notion of instauration a belief in the restoration of Adamic knowledge in the last age and a historical and cultural analysis of the impact of Western esotericism at the Russian court This book will appeal to scholars of Russian history and religion as well as being of wider interest to those studying Western esotericism in Early Modern and eighteenth century Europe The Sign of the Cross Božidar Vidov,1982 **The Gospel according to Mark** Camille Focant,2012-07-06 The world to which the Gospel of Mark introduces its reader is a world of conflicts and suspense enigmas and secrets questions and overturning of evidence irony and surprise Its principal actor Jesus is perplexing in the extreme He is evidently so for the religious authorities who oppose him but also for his disciples who shift from incomprehension to opposition and flight Questions of meaning life and death good and evil are continually broached This narrative is a subtle invitation to enter into a new world that of the coming Reign of God in which the first are last and whoever wants to save his life must lose it This commentary on the Gospel of Mark has been enthusiastically reviewed in the French edition as one of the best current commentaries on Mark As a narrative critical commentary it favors an interpretation of the Gospel that tries to grasp the dynamic of the text taken as a whole Even if the technical vocabulary of narrative analysis is not used and the main results of the historical critical criticism particularly those of redaction criticism are not neglected as the notes will reveal it is narrative criticism that guides the proceedings

Memoirs of the Faculty of Engineering, Kyushu University ,1923 The Sign of the Cross. [A Novel, Based on the Play of the Same Name.] Wilson Barrett (the Elder.),1902 Quodlibet John Pendleton Kennedy,1872 *The Sign* Stephen G. Jarrard,2020-10-31 This novel is more fact than fiction It is kind of a hybrid genre for which my wife has coined the term faction The Sign answers the all important question that many people in this world are asking Two days before Jesus went to the cross four of the apostles asked Him three questions found in Matthew 24 3 When shall these things be and WHAT shall be THE SIGN of your coming and of the end of the age In The Sign the author attempts to answer the second question In

more than forty years of biblical studies his research led him to a conclusion that was totally surprising Mr Jarrard s prayer is that the readers of this book will be compelled to take the contents to heart and research the issues for themselves We need to be like the Bereans Acts 17 11 What will you do when you understand The Sign The author prays that you will follow John Meskwa Anang s answer God bless you all *The Complete Book of Signs* Travis Goodsell,2017-03-24 The signs of Jesus Christ s Second Coming are numerous yet with the identification of the Heavenly sign of the birth of the Man Child from Revelation chapter twelve all the signs fall into prospective The Church of Jesus Christ of Latter Day Saints plays a pivotal roll in the Second Coming as one will see from the book Future dates from Revelation and Daniel are also given based upon 23 September 2017 s sign *Public Service* ,1910 **The British Printer** ,1889 **Chile of To-day** ,1907 **Minimal Luminance Requirement for Official Highway Signs.
