

The General Strike

**Robert Page Arnot, Labour Research
Department (Londres)**

The General Strike:

The General Strike Margaret Morris, 1980 **The General Strike, May 1926** Robert Page Arnot, 1975 The General Strike Wilfrid Harris Crook, 1931 **The General Strike, May 1926** Robert Page Arnot, 1967 **The General Strike of 1926** Keith Laybourn, 1993 Examines the reasons for the General Strike and its significance for British society focusing on events such as Black Friday and on the constitutional issues raised The book argues that the strike was inevitable but asserts that it was not the disaster that it is often presented as being The General Strike May 1926 Robert Page Arnot, Labour Research Department (Londres), 1973 **The General Strike 1926** David Brandon, 2023-06-30 The General Strike was one of the most significant events in twentieth century Britain The miners were locked out and the mass of rank and file trade unionists then came out on strike in their support With their families and some middle class sympathizers the miners and the labor and trade union movement found itself pitched against the political establishment the apparatus of the state the powerful mineowners backed by the Conservative Government and most of the media of the time in what was the sharpest form of class conflict short of political revolution It had always said that the British didn't do general strikes In 1926 they certainly did 2026 will mark the one hundredth anniversary of the General Strike and under the very different economic social and political conditions of post industrial post Brexit Britain it is worth revisiting and examining the complicated coming together of factors which were eventually to lead to those extraordinary days in May 1926 when the fate of the nation lay in the balance The author examines the economic social and political processes taking place from the mid nineteenth century and argues that this major confrontation between labor and capital was probably inevitable He examines particularly the symbiotic relationship between the coal miners and the railway workers and the troubled industrial relations in those industries His informed and lucid account should interest students of modern British history labor history and the fortunes of the railways in this period **Radical Seattle** Cal Winslow, 2020-02-25 A historical analysis of the General Strike of 1919 in Seattle On a grey winter morning in Seattle in February 1919 110 local unions shut down the entire city Shut it down and took it over rendering the authorities helpless For five days workers from all trades and sectors streetcar drivers telephone operators musicians miners loggers shipyard workers fed the people ensured that babies had milk that the sick were cared for They did this without police and they kept the peace themselves This had never happened before in the United States and has not happened since Those five days became known as the General Strike of Seattle Chances are you've never heard of it In *Radical Seattle* Cal Winslow explains why Winslow describes how Seattle's General Strike was actually the high point in a long process of early twentieth century socialist and working class organization when everyday people built a viable political infrastructure that seemed to governments and corporate bosses radical even Bolshevik Drawing from original research Winslow depicts a process that in struggle fused the celebrated itinerants of the West with the workers of a modern industrial city But this book is not only an account of the heady days of February 1919 it is also about the making of a

class capable of launching one of America s most gripping strikes what E P Thompson once referred to as the long tenacious revolutionary tradition of the common people Reading this book might increase the chance that something like this could happen again possibly in the place where you live *The General Strike* Patrick Renshaw,1975-01-01 *The General Strike* Julian Symons,2013 **The General Strike, 1926** ,1926 *The General Strike,may 1926* Emile Burns,Labour Research Department (Londres),1973 *The General Strike* Julian Symons,1959 **General Strike May 1926** Emile Burns,1926 **The General Strike** Christopher Farman,1974 **The Theory of the General Strike from the French Revolution to Poland** Phil H. Goodstein,1984 *The General Strike of 1926* R. A. Florey, **The General Strike** Harry Wicks,1976 *Days of Hope* Duncan Hallas,Chris Harman,1981 *The General Strike* ,1979

The General Strike Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**The General Strike**," compiled by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
