**William Shakespeare**

## **The Giants Toe:**

The Giant's Toe Brock Cole, 2001-09-04 Once there was a giant out hoeing in his cabbages The hoe slipped and he gave his foot a mighty wack Ow he cried I must have cut off my toe But when he found his toe among the cabbages it had changed It hardly looked like a toe at all And that is just the beginning of the surprises the giant is in for Imagine a toe that talks back meddles in your affairs and is responsible for the loss of your most precious possessions The giant is furious Yet each time he tries to get rid of the toe it reappears in an unexpected way Only when the clever toe manages to save the day and the giant does their battle of wills take a turn for the better
