The Glass Angels:

The Glass Angels Susan Hill, Valerie Littlewood, 1991 **The Glass Angel: A guide to freedom, peace, transformation and growth. Unlocking your Potential** Christina E Foxwell, 2022-08-17 Christina E Foxwell's life can be defined as a series of hardships setbacks and decisions made from fear or to meet the expectations others had of her The daughter of a Pentecostal minister the South African born author Mother wife daughter grandmother business woman and Performance Transformation coach allowed other's opinions of her no matter how wrong or cruel to define who she was as a young child young woman and ultimately well into adulthood Thus began a lifetime of self doubt shame and self sabotage Often overlooked and underappreciated she learned early on that her innermost thoughts and dreams and even her well being weren't of much importance to those around her She was often ridiculed for her thoughts and perceived bad behavior She had to cope with name calling cruel taunts and scorn for even minor infractions or for no reason at all In time Christina did what so many in her situation would've done She donned a proverbial shield of armor to protect herself from pain just to get through day to day life and have some semblance of a life even if it wasn't of her own design How she saw herself was shaped by what others said about her and how they treated her The Glass Angel details the years she lived under the weight of those unfounded and incredibly harmful notions This book is part memoir part cautionary tale part inspirational how to for anyone who has ever felt like the world was against them In it she shares her journey from the darkest moments of her life to finding herself learning to forgive the past and seek light and clarity and let them lead the way forward Her story will open your eyes and mind to what's possible It proves that even when you are at your absolute lowest and fear you'll never find your way out of despair shame or a lifetime of guilt there is hope on the other side While there are many reasons for her to feel sorry for herself she chose another path one that helped her heal from the trauma and discover who she was and what she had to do to feel comfortable in her skin and heal from all the things that weighed her down for years She found a path forward She made a pact with herself to stop living the life of a broken angel and embrace what she calls her alchemy That's how this book came to be It's her way of helping others who've known pain and made it to the other side She is giving readers permission to not only survive but thrive by igniting their own alchemy and using it to transform their lives from the inside out
