The Ghost Of Sherlock Holmes:

The Ghost of Sherlock Holmes Paul Voodini,2016-09-08 New Year s Eve 1922 and a very special dinner party is being hosted by a dubious Sherlock Holmes collector During the course of this mysterious evening the host will demonstrate the peculiar mind powers of Dr Joseph Bell the personality profiling prowess of the Great Detective himself the esoteric attributes of a deck of cards rumoured to have belonged to Jack the Ripper the haunted finger rings of Arthur Conan Doyle s Cottingley Fairies and much more Part novella and part magic instructional book this publication also teaches the reader exactly how to recreate these wondrous feats for themselves Learn how to fake it as a master detective and be entertained by the haunting tale that surrounds this mysterious Sherlock Holmes themed dinner party

occurred around the same period and captivated audiences all eager for more news about these extraordinary events And just a year later after publishing his story the real Mary Celeste finally ended her career in dramatic style after she was deliberately wrecked on a coral reef off Haiti by a skipper who had become embroiled in a fraudulent conspiracy So perhaps it was a fresh inquiry and a revelation of other previous dramatic events that put Conan Doyle back in the spotlight but whatever the reason his story was again accepted as genuine with even Admiralty officials forced to review their original findings The real incident would have been worthy of investigation by his notable Sherlock Holmes character a fictional detective introduced just three years later This book examines the whole incident before during and after and compares fact with fiction to analyse the brilliant workings of Conan Doyle who used many of his experiences to later develop some memorable characters
