The Angels Speak](#) Carolynn Milne,2014-05 It was a cold wet day I made my friends a hot cuppa and stoked up the open fire We sat looking at the flames and talking My voice suddenly changed in mid sentence The words I was saying were beautiful and elegant but they were not mine I was startled and confused What was going on What was that amazing energy flowing through me After the initial shock I quieted my mind enough to hear Maitreya It was his energy and his words He was with me to teach me and to work through me Over the next few days Jesus and Mary Magdalene both came through me with messages and energy to guide me I realized that as each came and went I had an involuntary shudder When I started to record their messages I found that my handwriting changed for each Six years later I still feel the amazing energies emotions and feelings of these Angelic Messengers I now know that this is not just for me but for all of humanity I don t have to be a saint I just need to have pure and loving thoughts at the time I am receiving and very importantly when I am recording Pure intention loving thoughts and lots of faith in me and in the Messengers allow this remarkable gift to flow through me I think of my higher consciousness as a dome The door to the Dome has a filter so only the Divine can enter The Messenger is never a force that controls me That is my deal with the Divine I always have free will The Messengers communicate to me by voice and sometimes by a knowledge

of what to write in large blocks of information I work to bring these amazing messages to as many as possible Together But Something Missing Ben Renshaw, 2010-11-30 Power struggles Lack of communication Unconscious needs Fear of rejection Different interests Out of date habits Fear of intimacy High expectations Too busy If even one of these issues causes problems in your relationships then this book is for you As Britain's top personal development guru and married himself Ben Renshaw is able to throw strong light on what we can all do to improve our relationships no matter what the problem In his view there are ten principles of a successful partnership or marriage Letting go of the past Knowing what you want to say Yes to Realising that Now is New Deciding how you want to be Fearing less talking more Sexual healing The inevitability of change Living a life of gratitude Making love more important than the relationship Remembering the spirit zone Full of thoughtful realistic advice this is the book no caring sharing person can afford not to read **C.F.W. who will sit alongside Jesus Christ on His throne reigning forever with him My family and I are eternally grateful to Jesus Christ to be a part of these overcomers As you are about to open the pages of this book rejoice in the Lord because you are also an overcomer alongside Jesus Christ **International Sunday School Evangel** ,1903 The Epworth Herald ,1905
