Review The Golden Coachmen reveals the glory and gab of a group of guys sharing their automotive expertise with stranded drivers randomly parked on the streets of Wano County New Jersey Set in the 60 s in contrast to that era s convention defiant hippies the young men devote themselves to their community by offering timely and competent road service to grateful urban motorists These macho mechanics encounter and conversationally engage their clients who hail from diverse backgrounds Entertainingly they log a nostalgic record of days before GPS cell phones or computerized engines Although the actions and thoughts of founder coachman Robert O Korin propel the reader through a world of fuel pumps timing belts and carburetors other characters swerve in and out of the narrative David grapples with time devoted to his buddies vs the responsibilities of his recent marriage Earl an African American restlessly ponders how he fits into the organization Kathy works as the dispatcher but she also provides focus for the coachmen as they venture out into the streets on their charitable missions Elder Hayes convinces his church leadership to sponsor the coachmen initially as an outreach project Later when that subsidy gets withdrawn a well heeled government official named Barremoore volunteers to mentor the business into the non profit business sector One cost of this financial rescue however is that Kathy becomes entangled with the suave Barremoore At that point her dating relationship with O Korin seemed to have plateaued Further on in the story in a departure from meet ups with various minor characters via their SOS solicitations the Coachmen undertake rebuilding a Jaguar XKE They pick it up at a government auction and once it s fixed up expect to sell it at a profit Out of luck a test drive without the benefit of insurance coverage leads to even more repairs A different fund raising scheme revolves around converting their make shift garage into a dance floor and throwing a neighborhood party In addition to the overall theme of male bonding major events and trends of the culture war decade form a historic background Along the way the Coachmen ponder US military commitments legislation to relieve poverty and the New York Worlds Fair As romance accelerates between Robert and Cathy she decides to demonstrate her affection by buying him a red Sports Fury to replace his problem prone Catalina A well intentioned young woman she doesn t seem to understand the attachment between man and vehicle It is not a simple matter of replacement While the novel appears directed at men who love cars any reader who likes to listen to NPR s Car Talk will similarly enjoy the detours and diversions traveled by The Golden Coachmen
