The Golden Years Of Leeds:

Chain Stores in the Golden Age of the British High Street Kathryn A Morrison, 2025-05-08 Familiar multiples like Boots Burton s Marks Spencer and Woolworth s plus a host of smaller chains forged the character of Britain s high streets in the late 19th and 20th centuries Multiple retailing was a supremely successful phenomenon loved by thrifty shoppers but feared by independent competitors It is explored here through the lens of its shops and stores which are generously illustrated with archive and modern photographs These range from the Edwardian grandeur of Boots to the Art Deco splendour of Burton s and the utilitarian post war buildings of Littlewoods Smaller chains are not neglected even if all that survives are weathered signs or mosaic pavements The time is ripe for a study of chain stores Britain s retail giants have been under scrutiny since the shocking collapse of Woolworth s in 2009 followed by BHS in 2016 Online shopping was already undermining bricks and mortar retailing when the COVID pandemic struck in 2020 accelerating the process The recent demise of Debenhams Arcadia Wilko and others leaves vast empty premises in town centres nationwide Our high streets are changing but their legacy of chain store buildings can play a constructive role in repurposing them for future generations *The Golden Age of Steam* Oswald Stevens Nock, 1973

The Golden Age of Yorkshire Steam and Beyond Peter Hadfield, 2021-01-18 The Golden Age of Yorkshire Steam and Beyond includes a wealth of unique memories and experiences from a collection of railway enthusiasts who in their youth were fascinated by the steam locomotives that ruled the rails Discover what it was like growing up in York and experiencing the sights and sounds of the giants of the former LNER system including A4s A3s A2s A1s and V2s along with the Jubilees the Royal Scots and Black Fives of the former LMS system and the BR Standards Explore life on the footplate of the engines allocated to Royston shed right up to the end of steam Read about the push and pull service that ran from Cudworth Barnsley Cudworth across the iconic Oaks Viaduct as well as the Barnsley Doncaster and York Doncaster Darlington journeys Memories of Leeds Normanton Doncaster Wath and Penistone are also included in addition to shed layout drawings of Royston Doncaster and York Providing a fascinating insight into a railway system now long gone the book is designed to ignite the memories of anyone who enjoyed the thrill of trainspotting during the 1950s and early 1960s when steam was still king before the rapid introduction of diesel and electric traction led to the complete elimination of steam from the rail network in 1968 with the exception of Flying Scotsman The 1970s saw the return of steam on the mainline with steam specials powered by preserved locomotives
