Cook, 2014-07-15 Detective Fiction and the Ghost Story is a lively series of case studies celebrating the close relationship between detective fiction and the ghost story It features many of the most famous authors from both genres including Conan Doyle Agatha Christie M R James and Tony Hillerman *The Ghostway* Tony Hillerman, 1985 An odyssey of murder and revenge stretching from the desert to Los Angeles and combining such unlikely elements as a cursed Indian hogan and a restless corpse **Mythology and Values** Katherine Spencer, 2014-11-11 In this book Katherine Spencer examines Navaho cultural values by studying a specific subset of Navaho mythology chantway myths part of ceremonies performed to cure illness She begins with a summary of the general plot construction of chantway myths and the value themes presented in these plots then discusses explanatory elements inserted by the narrators of the myths She continues with a deeper analysis of the cultural value judgements conveyed by these myths At the end of the book Spencer includes abstracts of the myths she discusses Navajo Blessingway Singer Frank Mitchell, 2003 This life history of a Navajo leader recorded in the 1960s and first published in 1977 is a classic work in the study of Navajo history and religious traditions A skillful meticulous and altogether praiseworthy contribution to Navajo studies Although the focus of Mitchell's autobiography is upon his role as a Blessingway singer there is much material here on Navajo history and culture in the late nineteenth and early twentieth

centuries Mitchell attended the government school at Fort Defiance worked on the railroad in Arizona served as a handyman and interpreter at several trading posts and the Franciscan missions and later served as a tribal councilman in the 1930s and as a judge in the 1940s and 1950s His observations on these experiences are relevant to our understanding of contemporary Navajo life Lawrence C Kelly Western Historical Quarterly This book stands easily among the best of the native autobiographies Narrated by a thoughtful and articulate Navajo leader over a span of eighteen years this life history is brought into English with none of the selective romanticizing that has spoiled some books It is a superb job of bringing one culture ever closer to another Barre Tolken Western Folklore *Tony Hillerman's Navajoland* Laurance D. Investigating Identities Marieke Krajenbrink,Kate M. Quinn,2009 Investigating Identities Questions of Identity in Contemporary International Crime Fiction is one of the relatively few books to date which adopts a comparative approach to the study of the genre This collection of twenty essays by international scholars examining crime fiction production from over a dozen countries confirms that a comparative approach can both shed light on processes of adaptation and appropriation of the genre within specific national regional or local contexts and also uncover similarities between the works of authors from very different areas Contributors explore discourse concerning national and historical memory language race ethnicity culture and gender and examine how identity is affirmed and challenged in the crime genre today They reveal a growing tendency towards hybridization and postmodern experimentation and increasing engagement with philosophical enquiry into the epistemological dimensions of investigation Throughout the notion of stable identities is subject to scrutiny While each essay in itself is a valuable addition to existing criticism on the genre all the chapters mutually inform and complement each other in fascinating and often unexpected ways This volume makes an important contribution to the growing field of crime fiction studies and to ongoing debates on questions of identity It will therefore be of special interest to students and scholars of the crime genre identity studies and comparative literature It will also appeal to all who enjoy reading contemporary crime fiction *The Navajo Hunter Tradition* Karl W. Luckert,2019-05-28 New approach to the study of myths relating to the origin of the Navajos Based on extensive fieldwork and research including Navajo hunter informants and unpublished manuscripts of Father Berard Haile Part I The Navajo Tradition Perspectives and History Part II Navajo Hunter Mythology Part III The Navajo Hunter Tradition An Interpretation Legend of the Ghostway Ritual in the Male Branch of Shootingway Berard Haile,1950 **New Westers** Michael L.
