takes her for the aging writer's daughter. She turns out to be a former student of Lonoff's and may also have been Lonoff's mistress. Zuckerman with his imaginative curiosity wonders if she could be the paradigmatic victim of Nazi persecution. If she were it might change his life. A figure of fun to the New York literati a maddeningly single minded isolate to his wife teacher father savior to Amy Lonoff embodies for an enchanted Nathan the ideal of artistic integrity and independence. Hope sees Amy as does Amy herself as Lonoff's last chance to break out of his self imposed constraints and she bitterly offers to leave him to the younger woman a chance that like one of his own heroes Lonoff resolutely continues to deny himself. Nathan although in a state of youthful exultation over his early successes is still troubled by the conflict between two kinds of conscience tribal and family loyalties on the one hand and the demands of fiction as he sees them on the other. Ghostwriter Allsman Bruce (author), 1901 *The Involuntary Ghostwriter - the Ghostwriter Series Book One* Douglas Debelak, 2016-12-08 The Involuntary Ghostwriter the first book in The Ghostwriter Series consists of overlapping narrative threads. It is in part a coming of age story but the coming of age of who. This is confusing even to the Ghostwriter Jonathon Fry since it begins as that of his own childhood and coming of age until parts begin to morph and his story is ultimately hijacked completely. He wakes from an erotic dream finds his thoughts filled with memories that are not his own and he finds he is no longer reflecting on his own early life but writing ghostwriting an epic tale claiming be that of God or the Creator as He prefers. Jonathon's internal battle and confusion over what he feels compelled to write versus the truth of his own life as he remembers it continues until he finally gives in and comes to terms with the belief that he is writing fiction since it couldn't possibly be The Word of God he is an agnostic. But who knows the source of inspiration or the capacity of the imagination to create. The Ghostwriter Series is the result of a collision between the lyrics of a song and a promise the author's mother made when he was a child. The song is One of Us was written by Eric Bazillion recorded in the 90s by Joan Osborne then latter by Alanis Morissette. The lyrics What if God was one of Us My mother's promise When you grow up you can be anything you want to be Little did she know he'd take her so literally since both the lyrics and that promise resonated in his thoughts for many years until he found he was asking himself the inverse of the initial question What if one of us was God. The central narrative running through the three books of The Ghostwriter Series is that of the autobiography of God or a fictional

irreverent alternative version thereof It begins as it should In the beginning with the perverse twist of adding I was born The second narrative thread of The Involuntary Ghostwriter is that of the Ghostwriter Jonathon Fry and his experience as the conduit or creator of this epic saga but also his facing the approach of his later years the impact on his marriage of his waking from an erotic dream of another woman and telling his wife about it leading to his internal battle whether to continue to be the man the morality of his upbringing shaped him to be when he d long rejected the faith that had been its source
