The Godhead:

The Godhead Elwin Shull, What is the biblical truth of the Godhead This study examines the Godhead God the Father God the Son and God the Holy Spirit This unchanging Trinity is one in thought in character and in purpose Ultimately the Godhead is LOVE giving redemption and salvation to any and all who have departed from this love and law of love if they truly desire it This free gift of forgiveness and salvation cost the Godhead more than we could ever imagine They created the universe and everything in it yet would allow a part of themselves to be crucified and die for even one of us In this book the author strives to share WHO the Godhead is WHAT they do and HOW very much they love us and want us ALL to be saved

Swanson,2010 The physical resurrection of Jesus Christ forever changed the nature of the Godhead Indeed the birth and death of Jesus Christ changed the nature of the Godhead But His physical resurrection changed it forever The simple truth is that within the nature of the Godhead Jesus Christ has a physical resurrected body of flesh and bones How does His physical resurrected body affect the nature of the Godhead Is God a spirit If Jesus Christ is the Oneness God or a third part of the Trinity God how can either of these Gods be a spirit when Jesus Christ has a resurrected body of flesh and bones It is impossible If the Oneness God or the Trinity God is a spirit then Christ is a spirit which means He died a second time His body and spirit would have separated a second time The Oneness and Trinity doctrines are really descriptions of a failed resurrection and atonement The good news is that Christ being raised from the dead dieth no more Romans 6 9 10 This being so what is really the true nature of the Godhead with a physical Christ Now is the time find out by reading this book *The Godhead: New Scriptural insights on the father the son and the Holy Ghost* Duane S. Dutcher,2024-05-23 This narrative is about the mystery of the Godhead understanding the Godhead what is God s name and who is God Many people believe that all gods are the same but this is not true Different religions have different names for the gods they worship Some religions call their god Allah or Buddha or Jehovah etcetera However there is only one true God As Christians the first thing we should understand is that the Godhead is a mystery designed by God 1 Timothy 3 16 And without controversy great is the mystery of godliness God was manifest in the flesh justified in the Spirit seen of angels preached unto the Gentiles believed on in the world received up into glory KJV The Apostle wrote great is the mystery of Godliness This verse is saying the Godhead is a mystery designed by God Let us try and figure out why God made the Godhead a mystery

[The Godhead](#) Wm Calvin Hughes,2019-11-18 The Godhead consisting of the Father the Son Jesus Christ and the Holy

Ghost has been a topic of doctrinal dispute for almost as many years as Christianity has existed. Numerous philosophies, opinions and creeds have done little to settle the controversy. In fact, for many Christians the volume of perspectives have done the opposite. Is the Godhead one united entity in form, substance and purpose? Is the Godhead three entities in one? Or is the Godhead made up of three distinct individuals of separate substance but having a united purpose? These are just a few of the many questions surrounding God our Father in Heaven, Jesus Christ His Son and the Holy Ghost. There are lots of places to turn for opinions but outside of heavenly intervention there is only one main source to find for answers for yourself the Holy Scriptures. This book does just that; it condenses all of the verses in the New Testament KJV that speak about or refer to the Godhead. When read topically, intentionally focusing on one aspect of spirituality the Godhead we can get a clearer picture who God is and His makeup. After all, God's Only Begotten Son told us that knowing who His Father is and who the Son is is of immeasurable worth. And this is life eternal that they might know thee the only true God and Jesus Christ whom thou hast sent. Jn 17:3. If for that reason only it would be valuable to read this book. **Is Jesus in the Godhead** Gordon Magee, 1964

The Mystery of the Godhead Albert Serbin, 2020-12-10. The mystery of the Godhead is indeed a mystery and there is not enough material written on the subject. In my search I found some material written on God the son and the Holy Spirit. It was not enough to answer the questions in my mind proper understanding and knowledge was missing. This book is written with much fear of the Lord in a prayerful way to Honor the Lord Jesus Christ. Some much needed Honor since God elected the nation of Israel to be his witnesses in Isaiah 43:10 they failed God because of rebellion and sin. The Church is now given this task Ephesians 3:10. To the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom of God. I am a simple minister in the church and by this revelation given me by the lord do declare the manifold wisdom that there is ONE God and three manifestations of this true and only God. Hosea 4:2. Hear the word of the Lord Y children of Israel for the Lord hath a controversy with the inhabitants of the land because there is truth nor mercy nor knowledge of God in the land. I pray that you the reader will find the knowledge of God to be a teacher of this mystery.

When God Breathes Pastor Josh Morgan, 2020-01-07. Everything God has done and will do is extravagant and has great purpose. All His actions have a planned objective even the breath He breathes and the gifts He gives. God the Father breathed granting life to the created man. God the Son breathed and man now supernaturally received the infilling of the Holy Spirit. God the Holy Spirit breathed fulfilling the promise of God's manifested power and presence upon and in believers. When the Godhead breathes it brings life, salvation and power. God breathing illuminates the purpose and giftings given to His creation. The trinity Godhead distributes gifts and endowments to the believer for the growth and increase of the body of Christ. The attributes and gifts of the Godhead are purposed and given to benefit the body while empowering each believer to be more than conquerors. When God Breathes details the design and purpose for each of the Godhead breathing and describes the gifts given by each. The supernatural gifts of the Father the Son and the Holy Spirit. **The Godhead** Clever

Chihava,2020-04-26 The Book challenges Christianity's often believed understanding on the Godhead. The author is concerned about the dangers of just accepting what one has been taught about the topic without going to scripture to substantiate it. Christians joined religious groupings for the primary purpose of being saved not necessarily for belonging for the sake of it. However the concern comes when at the end the very God one thought he or she worshipped says I do not know you. What a terrible loss will such a one experience. This study is motivated by the rationale that it is an absolute imperative that every Christian should be clear about not only the standard of worship acceptable to his or her Creator but also the object of their worship. He or she should have no vestige of doubt about whether he or she is worshiping in Spirit and in truth. And yet for one to be able to worship acceptably he or she must address his or her worship to the right God in addition to obviously offering the worship correctly. After all is it not true that it is possible to be in the right church and still worship a wrong god or worship the right God in a manner that falls short of being acceptable. Recall that the children of biological Israel thought they were the Chosen Nation only to crucify the very One who had chosen them to be His peculiar people. According to 1 Peter 5v17 18 judgment begins in the house of God. I mean the house of the true God. Why? The implication is clearly that it is possible for those in the correct church to still get lost because they would have fallen short of the required standard of worship or even worse worshiped the wrong God. Recall Christ's answer when He was asked about which commandment is the greatest. He said The first of all the commandments is this Hear O Israel the Lord our God the Lord is one. And you shall love the Lord your God with all your heart with all your soul with all your mind and with all your strength. This is the first commandment. Mark 12v29 30 Other versions say the first and principal or the foremost or in simple the greatest. This logically means that anyone breaking this commandment has to be the greatest sinner. Therefore dear child of God while there are many false gods the true God is only ONE. You have to be sure of the God you worship so that you have no doubt that he is the One and only true God and that you are worshiping Him correctly. May God bless and richly reward you in your search for Him. In all matters that pertain to Inspiration Christians are better advised to tread carefully lest they mix the common with the sacred and get struck down as did others in the past as recorded in scripture. I find that the only safe course to take in order to optimally benefit from this study is to present the evidence from Scripture impartially. No attempt should be made to hide anything even those points that seem to go contrary to one's current understanding. Then from the weight of evidence alone one is to choose what makes sense. The safest course is to completely leave out the will of man and let the will of God prevail in each circumstance. I know this last step is not a very easy one to adopt except when guided by the power of the Holy Spirit because the human mind will often strive to read its own prejudices into any presentation. May God help both the author and the reader to be divested of every vestige of prejudice so that only that which the Word of God says should prevail will ultimately do so. Give glory to God. The author hopes that in studying the Word of God Christians will discover the truth about the God they intend to spend their eternity with.

God and the Mathematics

of Infinity H. Chris Ransford, 2017-03-28 Drawing on the science and mathematics of infinity H Chris Ransford analyzes the traditional concept of godhood and reaches surprising conclusions He addresses humankind's abiding core debate on the meaning of spirituality and God Using mathematics he explores key questions within this debate for instance why does evil exist if there is a God The book fastidiously does not take sides nor proffers opinions it only follows allowable mathematics wherever it leads By doing so it makes a major contribution to an understanding of the nature of reality

[The Godhead](#) Albert Gardner, E. Claude

Gardner, 2011-08-12 The word Trinity is never used in Scripture to refer to God but the term Godhead is used to express the fact that there are three Persons yet one God Though we may not fully understand it we accept it by faith because the Bible teaches it Acts 17:29 Colossians 2:9 Daniel 9:25 We should never fall into the trap of thinking there are three Gods There is one God Ephesians 4:6 and that one God consists of three Persons the Father Son and Holy Spirit Each of them the Father Son and Holy Spirit is called God Each of them is said to be eternal Attributes of deity are attributed to all of them The evidence is great to prove the existence power and wisdom of God The testimony in behalf of Christ as God's Son is sound and solid as revealed in the gospels The Holy Spirit is said to be another of the same kind John 14:16 He is a person just like God and Christ Those who reject the existence of God have not carefully and honestly examined all the evidence available to them in God's two books nature and Scripture A study of the Godhead is one of the most mind stretching subjects possible God is so great powerful and wonderful that we can never learn everything for his ways are past finding out Romans 11:33 Obviously this small volume does not begin to exhaust the subject We have tried to deal with some basic matters regarding the Godhead with the hope that the reader will have a deeper faith and that this will stimulate in them a deeper study It is our prayer that God will be honored and praised

The Female Mystic Andrea Janelle Dickens, 2009-05-30 The Middle

Ages saw a flourishing of mysticism that was astonishing for its richness and distinctiveness The medieval period was unlike any other period of Christianity in producing people who frequently claimed visions of Christ and Mary uttered prophecies gave voice to ecstatic experiences recited poems and songs said to emanate directly from God and changed their ways of life as a result of these special revelations Many recipients of these alleged divine gifts were women Yet the female contribution to western Europe's intellectual and religious development is still not well understood Popular or lay religion has been

overshadowed by academic theology which was predominantly the theology of men This timely book rectifies the neglect by examining a number of women whose lives exemplify traditions which were central to medieval theology but whose contributions have tended to be dismissed as merely spiritual by today's scholars In their different ways visionaries like Richeldis de Faverches founder of the Holy House at Walsingham or England's Nazareth the learned Hildegard of Bingen Hadewijch of Brabant exemplary voice of the Beguine tradition of love mysticism charismatic traveller and pilgrim Margery Kempe and anchoress Julian of Norwich all challenged traditional male scholastic theology Designed for the use of undergraduate student and general reader alike this attractive survey provides an introduction to thirteen remarkable women and sets their ideas in context [The Ages of the World](#) Friedrich Wilhelm Joseph Von Schelling,2000-01-01 Schelling's never completed masterpiece translated here with an introduction covering Schelling's life other works and a brief analysis of The Ages of the World by Wirth philosophy Ogelthorpe U explores the question of time as the relationship between poetry and philosophy Contemporary philosophers herald this work as a predecessor to the modern debates about post modernity and the limits of dialectical thinking [Understanding the Godhead](#) Gregory K Riggen,2019-05-08 This book offers a concise examination of the study of the Godhead from a Biblical perspective Rather than basing its findings off of tradition it relies solely upon the Scriptures Four principles are offered which completely explain the Godhead Each principle is based on a particular passage from the Bible What many call a mystery beyond comprehension is explained in terms simple enough for most anyone to understand
