

The book cover features a close-up portrait of a man with dark hair and light-colored eyes, looking directly at the viewer with a slight, enigmatic smile. He has a light stubble and is wearing a dark, vertically striped shirt. His right hand is visible, with his index finger resting against his chin. The background is dark and atmospheric, with a blue-tinted, ethereal image of a tree or branch on the right side. The author's name and title are prominently displayed in stylized fonts.

Gentleman Vampire Jonathan Barrett,1996

Gentleman Vampire M.A. Kammer,2022-06-30 Gentleman Vampire is the result of Kammer's biting creativity and desire for composing stories about people in different social situations The story takes place in the fantastic Sentry City where the reader becomes immersed in scenes of ferocious attacks by rogue vampires on humans The guiding thread throughout the book is the attraction between Hamish Stuart and Dr Lilith Thorne She was abandoned as a toddler by her father and seems to pick the wrong man all the time Will a three hundred and fifty three year old vampire be the one Will his dissimilarity scare her away This story is a reflection of the varied multi shaped multiracial and very often dangerous society Plotting and betrayal are perpetrated by people who we think are friends to us All these issues are cleverly conceived by the author in an intriguing whirlwind of people lives and stories It represents a look into our souls to find what scares us what sparks our curiosity It is a trip in our minds to understand what we are willing to fight for to protect our beloved ones It is an exciting and challenging story that will catch the reader's attention M A Kammer grew up in small town Saskatchewan Canada one of nine children She trained as a nurse then traveled to Australia for work and adventure She now lives in Melbourne Australia She has always had a creative view of the world so the idea of writing a book grew more and more when she joined a writing group One of her favorite pastimes is making up stories about the people around her in any social situation Her favorite books are historical fantasy and paranormal so it is no surprise that she writes paranormal fiction

Our Old Monsters Brenda S. Gardenour Walter,2015-07-11 The witch the vampire

and the werewolf endure in modern horror These old monsters have their origins in Aristotle as studied in the universities of medieval Europe where Christian scholars reconciled works of natural philosophy and medicine with theological precepts They codified divine perfection as warm light male and associated with the ethereal world beyond the moon while evil imperfection was cold dark female and bound to the corrupt world below the moon All who did not conform to divine goodness including un holy women and Jews were considered evil and ascribed a melancholic blood hungry and demonic physiology This construct was the basis for anti woman and anti Jewish discourse that has persisted through modern Western culture Nowhere is this more evident than in horror films where the witch the vampire and the werewolf represent our fear of the inverted other
