*The Loving Struggle* Emmanuel Falque, 2018-10-15 It has been 25 years since Dominique Janicaud derisively proclaimed the theological turn in French phenomenology due to the return of God to philosophy through the influence of religious thinkers such as Lévinas Ricoeur and Marion. Since then the theological turn has flowered into a fully fledged movement on both sides of the Atlantic. But what will be the shape and direction of the second generation of the theological turn? In this important new book Emmanuel Falque engages with all the major twentieth century French phenomenologists something heretofore unavailable in English. He argues that rather than being content to argue for the return of God to philosophy something fought for and developed by the foregoing generation of the theological turn it is necessary to stage a philosophical confrontation or disputatio with them and their work in order to ensure the ongoing vitality of the unexpected contemporary relationship between philosophy and theology. Drawing on the legacies of Jaspers and Heidegger who both staged their own loving struggles to arrive at defining philosophical conclusions Falque confronts interrogates and learns from his most influential philosophical forebears to steer the theological turn in a new direction. Offering a novel and creative philosophy of the body Falque argues for a reorientation of philosophy of religion generally and the theological turn specifically from a philosophy of revelation from above to a philosophy of the limit from below      **Secret of Success and a Happy Heart** Vikas Chadha, 2020-06-25 Mr Sudip Bandyopadhyay Group Chairman of Inditrade Capital Stock market expert at CNBC Zee Business Bloomberg Economic Times Excellent presentation makes this must read book an absorbing and interesting read All age groups should read this book to face challenges in life boldly This story telling format used by the author to explain the secret of success is truly engrossing Chender Baljee Chairman and Managing Director Royal Orchid Hotel Ltd SARVA DHARMA PARITYAGYA learn from mistakes overcome challenges show leadership skills and teamwork is what this impatient generation could learn from this book Mr R Kannan Head Corporate Performance Monitoring Hinduja Group Students Entrepreneurs Start ups and even Senior executives will find it as a good guide and a source of inspiration ROBIN BANERJEE Managing Director Caprihans India Ltd Former MD CFO Arcelor Mittal Germany Former Executive Director Thomas Cook Former Group CFO Suzlon Who doesn't want a happy heart Vikas's book is a wonderful way to achieve our goals Recommend all to read this highly readable book And have a superbly happy heart Arif Khan Director of HR India for Hyatt Hotels and Resorts An admirably practical and useful book Vikas's agglomeration of knowledge and proven on ground experience makes this an entrancing read
