with our present requests and look forward to going to Him for our concerns tomorrow The second purpose of The Gift of Prayer is to record specific instances when God has answered the prayers of His people By conveying these examples the hope is that the effectiveness of prayer will be put to the test and found to be incredibly powerful What that means to you the reader is that your most pressing prayer request right now can be lifted to the Lord right now The third goal is to unleash the power of prayer in the world around us whether that be in our homes across town or around the world The hope is that we will experience a great spiritual revival in our day A truly global movement requires the powerful working of the Holy Spirit faithful preaching of God s Word a commitment to discipleship a renewed emphasis on missions and evangelism and fervent prayer The hope of this book is to help turn our hearts back to our first love which is our Lord and Savior Jesus Christ He is our greatest treasure
