God vs Alien Subhash Chandra, 2021-05-19 God V s Alien is all about finding the hidden meaning in ancient monuments texts Vedas and holy books The hidden signs in our religion and holy books are kept secret from the common people the truth is not what we see and hear The lost civilizations of Mayans and Egypt from the past The concept of time travel and teleportation How could the modern technology be influenced by the Ancient technology The presence of human race in entire universe the future of earth and the incidents of time travel the way to immortality And one of the most important question Are We Alone Really Alone in other words this book is an initiative to decode the hidden signs of holy books and signs from the human history

**Democracy's Literature** Patrick J. Deneen, Joseph Romance, 2005-07-28 American literature is profoundly almost inescapably political America s most thoughtful authors long ago realized that it was through the novel the novella and the story that philosophic education of America s citizens would best be undertaken In this fascinating new anthology of original essays ten leading scholars explore the ways in which American civic education has been informally advanced through literature Delving into the works of authors ranging from Mark Twain to William Faulkner to Octavia Butler these essays reflect on the close relationship between democracy and literature They convey an understanding that the greatest American literary works are also works of profound philosophical insight Through careful analysis Democracy s Literature illustrates that democracy and literature are natural partners forging a relationship that America s greatest authors have long realized in their subtle efforts to craft a democratic public philosophy
