Libi Astaire, 2014-05-27 If you're an author with a just finished manuscript or an aspiring author dreaming of one day writing a book that will make the bestseller list you probably know that getting to the last words of your story isn't the end of your book's story. Once your book is written the next step is to get it published. In this quick guidebook I'll take you beyond the hoopla and the hype to a down to earth look at your publishing options. We'll look at the pros and cons of traditional publishing, consider when a subsidy press might be a viable alternative and take an in depth look at what's really involved when an author decides to become the publisher of his or her book.
