Mila Watson was desperate to find out what had happened to her parents and why they had disappeared. With a heavy heart she set off towards the lonely mountain village of Shade where the townsfolk had vanished some years ago. But on arriving Mila soon discovered that it wasn't as empty as it seemed. Hiding away in this isolated place were strange people but who and what were these mysterious folk hiding from? Equipped with nothing but her own courage and intuition Mila quickly befriended Rush, a young man who seemed to know more than he was willing to share about the secrets of the village. As their bond grew stronger so did Mila's suspicions: could it be possible that not only humans lived amongst them but something else too? Vampires, Werewolves, Witches. Or all three? If so then this was definitely no ordinary mystery and Mila knew that if she wanted to uncover the truth surrounding her parents' disappearance she would have to confront whatever hides in the shadows of the woods.

Werewolves of Shade is a six part serial. Each part is approx 20 000 words in length. Note: This ends on an unbearable cliff hanger. Part Six is now available.
