# Winter Friends Women Growing Old In The New Republic 1785 1835 Women In American History

**James D. Startt, William David Sloan**

## **Winter Friends Women Growing Old In The New Republic 1785 1835 Women In American History:**

Winter Friends Terri L. Premo,1990      **An Emotional History of the United States** Peter N. Stearns,Jan Lewis,1998

Emotions lie at our very core as human beings How we process and grapple with our emotions how and what we emote and how we respond to the emotions of others constitute the essence of our social universe In a very real sense we exist only through the prism of our emotions And yet the profound effect of human emotion on history politics religion and culture remains underexamined While the influence of emotion in such realms as American foreign policy has been well documented other emotional aspects of American history have escaped notice What role for instance does emotion have in the practice of African American religion How do shame and self hatred influence American conceptions of identity How does our emotional life change as we age To what degree is American consumerism driven by basic human emotion With this landmark anthology historians Peter N Stearns and Jan Lewis provide a road map of the American emotional landscape From the emotional world of working class Massachusetts to the prayers of evangelical and pentecostal women and the gendered nature of black rage these essays provide a multicultural snapshot of the unique nature and evolution of American emotions

**Women & Aging** Helen Rippier Wheeler,1997 Guide with more than two thousand bibliographic entries and cross references It includes journal articles book chapters essays and doctoral dissertations as well as complete books    *Women and the Republican Party, 1854-1924* Melanie Gustafson,2001-10-15 Acclaimed as groundbreaking since its publication Women and the Republican Party 1854 1924 explores the forces that propelled women to partisan activism in an era of widespread disfranchisement and provides a new perspective on how women fashioned their political strategies and identities before and after 1920 Melanie Susan Gustafson examines women s partisan history against the backdrop of women s political culture Contesting the accepted notion that women were uninvolved in political parties before gaining the vote Gustafson reveals the length and depth of women s partisan activism between the founding of the Republican Party whose abolitionist agenda captured the loyalty of many women and the passage of the Nineteenth Amendment Her account also looks at the complex interplay of partisan and nonpartisan activity the fierce debates among women about how to best use their influence the ebb and flow of enthusiasm for women s participation and the third parties that fused the civic world of reform organizations with the electoral world of voting and legislation    The A to Z of the Jacksonian Era and Manifest Destiny Terry Corps,2009-07-27 The brief period from 1829 to 1849 was one of the most important in American history During just two decades the American government was strengthened the political system consolidated and the economy diversified All the while literature and the arts the press and philanthropy urbanization and religious revivalism sparked other changes The belief in Manifest Destiny simultaneously caused expansion across the continent and the wretched treatment of the Native Americans while arguments over slavery slowly tore a rift in the country as sectional divisions grew and a national crisis became almost inevitable The A to Z of the Jacksonian Era and Manifest Destiny takes a close look at

these sensitive years Through a chronology that traces events year by year and sometimes even month by month actions are clearly delineated The introduction summarizes the major trends of the epoch and the four administrations therein The details are then supplied in several hundred cross referenced dictionary entries and the bibliography concludes this essential tool for anyone interested in history **The American Humanities Index** Stephen H. Goode,1995 **Mistresses & Maids** Debra M. O'Neal,1994

**Roxana's Children** Lynn A. Bonfield,Mary Chase Morrison,1995 Together their stories offer an intimate portrait of an American family caught up in the sweep of a century of change **Family Matters**

Edgar-André Montigny,Lori Chambers,Anne Lorene Chambers,1998 Family Matters provides an inclusive picture of the variety of family life and family forms in Canada The work rejects the vision of family history that in focussing on the traditional two parent heterosexual Anglo Saxon family implicitly denies families that do not fit this paradigm as other or even illegitimate Family Matters includes material about the varied familial experience of our ethnically culturally and religiously diverse nation **Quaker History** ,1989 **Religion and American Cultures** Gary Laderman,Luis D.

León,2003 Looks at religious diversity in the United States from mainstream faiths to Wicca and Zen discussing faith religious practices traditions and history of religions The only multicultural survey of established and new American religions this exhaustive three volume encyclopedia explores the fascinating interactions between religion and ethnicity gender regionalism and popular culture This three volume reference for a general and student high school and above audience was prepared under the editorial leadership of Laderman American religious history and culture Emory U and Latino studies and religious studies U of California Berkeley with signed contributions from a long list of scholars It comprises 26 anchor essays and some 120 supplementary essays each with cross references and a bibliography examining religions both within and outside of the mainstream as well as themes such as sacred spaces sexuality films and religious communities on the Internet The final volume offers primary source documents that exemplify religious diversity Over 150 essays written by more than 140 expert scholars richly illustrated with images depicting a wide range of religious figures and activities as well as significant religious sites in the United States An entire volume of primary source documents that captures the reality of religious diversity in American culture including a copy of Cecil B DeMille's essay the Screen as Religious Teacher published in 1927 as well as more conventional materials on Christian Science the New Age and Buddhism to name only a few of the religious traditions covered in this collection **Women in Early America** Dorothy A. Mays,2004-11-23 Publisher Description

**A Stitch in Time** Aimee E. Newell,2014-03-15 Drawing from 167 examples of decorative needlework primarily samplers and quilts from 114 collections across the United States made by individual women aged forty years and over between 1820 and 1860 this exquisitely illustrated book explores how women experienced social and cultural change in antebellum America The book is filled with individual examples stories and over eighty fine color photographs that illuminate the role that samplers and needlework played in the culture of the time For example in October 1852 Amy Fiske 1785 1859 of Sturbridge

Massachusetts stitched a sampler But she was not a schoolgirl making a sampler to learn her letters Instead as she explained The above is what I have taken from my sampler that I wrought when I was nine years old It was w rough t on fine cloth and it tattered to pieces My age at this time is 66 years Situated at the intersection of women s history material culture study and the history of aging this book brings together objects diaries letters portraits and prescriptive literature to consider how middle class American women experienced the aging process Chapters explore the physical and mental effects of old age on antebellum women and their needlework technological developments related to needlework during the antebellum period and the tensions that arose from the increased mechanization of textile production and how gift needlework functioned among friends and family members Far from being solely decorative ornaments or functional household textiles these samplers and quilts served their own ends They offered aging women a means of coping of sharing and of expressing themselves These threads of time provide a valuable and revealing source for the lives of mature antebellum women Publication of this book was made possible in part through generous funding from the Coby Foundation Ltd and from the Quilters Guild of Dallas Helena Hibbs Endowment Fund *New Books on Women and Feminism* ,1990 *The Common Ground of Womanhood* Priscilla Murolo,1997 Where is the common ground of womanhood In a unique and highly nuanced study of previously unexplored cross class alliances Priscilla Murolo charts the shifting points of consensus and conflict among working women and their genteel club sponsors working women and their male counterparts and working women of differing ethnic backgrounds The working girls club movement lasted from the 1880s when women poured into the industrial labor force into the 1920s Clubs initially were governed by upper class women and activities converged around standards of respectability and the defense and uplift of the character of women who worked for wages Later the workers themselves presided over the clubs at which point the focus shifted to issues of labor reform women s rights and sisterhood across class lines This valuable and lucid study of the club movement s trajectory throws new light on broader trends in the history of women s alliances social reform gender conventions and worker organizing *The Significance of the Media in American History* James D. Startt,William David Sloan,1994 *Journal of Women's History* ,2005 *Daughters of the American Revolution Magazine* Daughters of the American Revolution,1993 *Program of the Annual Meeting* American Historical Association. Annual Meeting,American Historical Association,1989 Some programs include also the programs of societies meeting concurrently with the association **Critical Approaches to Ageing and Later Life** Anne Jamieson,Sarah Harper,Christina R. Victor,1997 With contributions from some of the leading figures in the field this volume discusses the latest theoretical developments concerning the study and research of ageing
