

Winter In The Sun

Eliza A. Otis

Winter In The Sun:

Winter Sun Shi Zhi, 2012-02-01 Shi Zhi has been a major force in Chinese poetry since 1968 when several of his poems were circulated as secret handwritten manuscripts in the midst of China's Cultural Revolution. He gave voice to the aspirations of dispirited youth and although once relegated to obscurity he is today celebrated as one of China's most important cultural influences having spawned the modern Chinese poetry revolution of the 1980s. This bilingual collection of Shi Zhi's most significant poems featuring an afterword by the poet himself is the first book-length publication of his work in English. Born as Guo Lusheng in 1948 at the height of the Chinese Civil War, Shi Zhi joined the People's Liberation Army at the age of twenty-three. Discharged early, he entered into a period of severe depression and spent much of the next three decades living in mental hospitals under harsh conditions. Taking the pen name of Shi Zhi (meaning index finger) to evoke the image of people pointing at his back, he continued to write poetry through these tumultuous years, chronicling his journey from the heights of fame to the depths of institutionalism and ultimately to a final redemptive return to society in 2005. The voice of this besieged poet, burdened with exile and illness, captured the spirit of his generation and now inspires young readers. By presenting Shi Zhi's poems in chronological order, Winter Sun allows readers to appreciate the evolution of his poetry from his earliest work to his most recent poems. Masterfully translated by Jonathan Stalling and with an introduction by leading poetry critic Zhang Qinqin, this landmark collection ensures that Shi Zhi's poetry, so important to Chinese readers during the most challenging of times, will engage the hearts and minds of new readers the world over for years to come.

Late Winter Sun Alan Drummond Reid, 2012. Most would agree that people in so many walks of life have lost sight of the importance of treating one another with kindness and respect. In this inspired collection of poetry and prose, the author revisits what he considers to be life's core lessons for success and happiness. Through his recently retired eyes, he offers a personal retrospective as well as a prospective commitment to practice the lessons in this new stage of his life. Moreover, he shares hope that readers will not see these lessons as being reserved for days when they can enjoy the late winter sun, rather that they will see them as compatible with any journey through life at any stage on whatever path they follow in the world, whatever their goals may be.

Mechanical and Electrical Systems Marc Schiler, 2005. The secret to love that lasts. How do we meet each other's deep emotional need to feel loved? If we can learn that and choose to do it, then the love we share will be exciting beyond anything we ever felt when we were infatuated. Dr. Gary Chapman's international bestseller has brought back or intensified the love in millions of marriages by revealing the five distinct languages we all use to express love: Words of Affirmation, Quality Time, Gifts, Acts of Service, and Physical Touch. Couples who understand each other's love language hold a priceless advantage in the quest for love that lasts a lifetime; they know how to effectively and consistently make each other feel truly and deeply loved. That gift never fades away. Includes a PDF of the personal profile for Husbands/Wives.
