and silver mines has grown into an international wine destination On the way many buildings and institutions have vanished From the Von Uhlig family's fruit farm in Napa to the Wheeler Ranch in St Helena fields and orchards became neighborhoods and vineyards The Dolphin a steamboat that once delivered travelers from San Francisco was replaced by faster transport and the Napa State Hospital's original castle was demolished The Sawyer Tannery in operation for over one hundred years closed its doors in 1990 and destinations like the Kay Von Drive In and the Bel Aire Bowl now live on only in memory Join author and historian Lauren Coodley as she celebrates these once beloved landmarks in California's Wine Country **Wine Country Women of Napa Valley** Michelle Mandro, 2021-06-10 *The Napa Valley Wine Industry* Ian Malcolm Taplin, 2021-06-15 This book examines how Napa became a pre eminent site for the production of great and sometimes iconic wines in a short space of time Unlike its Old World counterparts whose development took place over centuries Napa's inception didn't start until the beginning of the 19th century and even then struggled to identify appropriate grape varieties and find a market for such wine only to be frustrated when Prohibition occurred in the early 20th century and practically shut down the industry It was in the 1960s that winegrowing would re emerge on a scale and quality that began to be noticed by informed critics and neophyte consumers In the following decades critical information sharing networks of owners and winemakers emerged facilitating a collective organization learning that fostered a commitment to quality and consistency that would cement Napa's reputation During these decades technical skills were embraced institutional support harnessed and demand for premium wine in America grew This book is a story about this evolving wine market about how key individuals were able to shape its organization and build a brand that would increasingly be identified as amongst the best in the world It starts with an early discussion of what constitutes quality and how wine has been evaluated over the centuries and ends by exploring Napa's apotheosis and the current critical issues facing the industry in that area **California's Napa Valley** William F. Heintz, 1999 **The Winemaker's Dance** Jonathan Swinchatt, David G.
