encompassed by Santa Barbara and San Luis Obispo Counties is hot among those in the know and with good reason. A huge variety of the finest wines are only a pour away and the setting is as dazzling as what's in the glass. Yet despite its recent surge in popular appeal, the coast retains the down-home feel and roll-up-your-sleeves attitude that made it famous. The wineries of the Central Coast offer the perfect mix of elegant hospitality and warm accessibility as often as not the people who pour your wine in the tasting rooms are not only the winemakers but the winery owners as well, and they are happy to spend time chatting about their passion. Mira Advani Honeycutt's affectionately detailed text is a perfect introduction to this exciting expanse of vineyards. She reveals how the many microclimates of the Santa Ynez, Santa Maria, Arroyo Grande, and Edna Valleys as well as the area around Paso Robles have led to the production of an amazing diversity of varietals by an equally varied collection of wineries. Whether you're looking for a lush picnic spot and a glass of bubbly or panoramic views accompanied by a tasting flight of robust Rhône blends, her helpful tips lead the way. In addition, she reveals the distinctive art and architecture that abound in the wineries while fine cuisine, fresh produce, and eclectic historical sites are never far away.

Winemakers of the Guadalupe Valley in Baja Mexico talk about the region and their wines. Across the border in San Diego a wine revolution is also happening.
