*Winning the Backdoor War*, 2001 A deadly war is silently ravaging every church both day and night Many pastors don t know their church has not just one back door but seven One pastor said Lots of people come in the front door and go out the back It s like preaching to a parade Because most pastors have studied evangelism but few have studied assimilation 80 90% of most new converts are not in the church one year later 50% of new members drop out within the first year One third of all regular members don t feel they really belong 85% of America s 360 000 churches are plateaued or in decline Winning the Backdoor War is based on the best materials from a seminar on assimilation
