Wire And Walls Raf Prisoners Of War In Itzehoe Spangenberg And Thorn 1939 4:

Wire and Walls Charles Rollings,2003 *Barbed Wire Diplomacy* Neville Wylie,2010-03-25 Barbed Wire Diplomacy examines how the United Kingdom government went about protecting the interests lives and well being of its prisoners of war POWs in Nazi Germany between 1939 and 1945 The comparatively good treatment of British prisoners in Germany has largely been explained by historians in terms of rational self interest reciprocity and influence of Nazi racism which accorded Anglo Saxon servicemen a higher status than other categories of POWs By contrast Neville Wylie offers a more nuanced picture of Anglo German relations and the politics of prisoners of war Drawing on British German United States and Swiss sources he argues that German benevolence towards British POWs stemmed from London's success in working through neutral intermediaries notably its protecting power the United States and Switzerland and the International Committee of the Red Cross to promote German compliance with the 1929 Geneva convention and building and sustaining a relationship with the German government that was capable of withstanding the corrosive effects of five years of warfare Expanding our understanding of both the formulation and execution of POW policy in both capitals the book sheds new light on the dynamics in inter belligerent relations during the war It suggests that while the Second World War should be rightly acknowledged as a conflict in which traditional constraints were routinely abandoned in the pursuit of political strategic and ideological goals in this important area of Anglo German relations customary international norms were both resilient and effective

The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos, 1933-1945,

Volume IV Geoffrey P. Megargee,2022-04-26 The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos 1933-1945 Volume IV aims to provide as much basic information as possible about individual camps and other detention facilities Why were they established Who ran them What kinds of prisoners did they hold What kinds of work did the prisoners do and for whom What were the conditions like The entries detail the sources from which the authors drew their material so future scholars can expand upon the work Finally and perhaps most important this is a work of memorialization it preserves the histories of places where people suffered and died Volume IV examines an under researched segment of the larger Nazi incarceration system camps and other detention facilities under the direct control of the German military the Wehrmacht These include prisoner of war POW camps including camps for enlisted men camps for officers camps for naval personnel and airmen and transit camps civilian internment and labor camps work camps for Tunisian Jews brothels in which women were forced to have sex with soldiers and prisons and penal camps for Wehrmacht personnel Most of these sites have not been described in detail in the existing historical literature and a substantial number of them have never been documented at all The volume also includes an introduction to the German prisoner of war camp system and its evolution introductions to each of the various types of camps operated by the Wehrmacht and entries devoted to each individual camp representing the most comprehensive documentation to date of the Wehrmacht camp system Within the

entries the volume draws upon German military documents eyewitness and survivor testimony and postwar investigations to describe the experiences of prisoners of war and civilian prisoners held captive by the Wehrmacht Of particular note is the detailed documentation of the Wehrmacht s crimes against Soviet prisoners of war which have largely been neglected in the English language literature up to this point despite the fact that more than three million Soviet prisoners died in German captivity The volume also provides substantial coverage of the diverse range of conditions encountered by other Allied prisoners of war illustrating both the substantial privations faced by all prisoners of war and the stark contrast between the Germans treatment of Soviet prisoners and those of other nationalities The volume also details the significant involvement of the Wehrmacht in crimes against the civilian populations of occupied Europe and North Africa As a result this volume not only brings to light many detention sites whose existence has been little known but also advances the decades old process of dismantling the myth of the clean Wehrmacht according to which the German military had nothing to do with the Holocaust and the Nazi regime s other crimes

Wire and Walls Charles Rollings,2003 The subtitle of this book is something of a misnomer for it concerns not only Royal Air Force prisoners of war but also those of the Royal Australian Air Force Royal Canadian Air Force Royal New Zealand Air Force South African Air Force and the Royal Navy Fleet Air Arm along with the French Arm e de l Air from the Phoney War in 1939 up until the aftermath of the invasion of the Low Countries and France in the summer of 1940 This book reconstructs a coherent history of aircrew prisoners of war in camps administered by the German Army between September 1939 and September 1942 P 12

The British National Bibliography Arthur James Wells,2004

Polonica zagraniczne ,2003 Wire and Walls Charles Rollings,2002 This book the product of 10 years research traces the history of four of the notorious POW camps used to intern captured allied aircrew in Germany Spangenberg Thorn Lubeck and Warburg For most of World War II these prisoners lived in conditions that directly contravened the Geneva Convention They received no Red Cross food for months at a time subsisting only on meagre German rations and were neglected by MI9 the department of the War Office set up to foster escape and evasion Wire and Walls is the previously untold full story of these forgotten prisoners who they were how they were captured and how they survived Based on correspondence and interviews with hundreds of survivors as well as unpublished diaries and manuscripts along with records from the Imperial War Museum the Public Record office and the Bundesarchiv the book also includes many illustrations and shot down stories which appear for the first time in this book

Wire and Worse Charles Rollings,2004 Graphic portrait of life as an RAF prisoner of war

Footprints on the Sands of Time Oliver Clutton-Brock,2003-08-19 The author of RAF Evaders provides a comprehensive reference of the airmen of Bomber Command who were held in German captivity during WWII This extensive book is divided into two part The first which has eighteen chapters deals with German POW camps as they were opened in chronological order and to which the Bomber Command POWs were sent Each chapter includes anecdotes and stories of the men in the camps capture escape illness and

murder and illustrates the awfulness of captivity even in German hands Roughly one in every twenty captured airmen never returned home The first part also covers subjects such as how the POWs were repatriated during the war how they returned at war s end the RAF traitors the war crimes and the vital importance of the Red Cross The style is part reference part gripping narrative and the book will correct many historical inaccuracies and includes previously unpublished photographs The second part comprises an annotated list of ALL 10 995 RAF Bomber Command airmen who were taken prisoner together with an extended introduction The two parts together are the fruit of exhaustive research and provide an important contribution to our knowledge of the war and a unique reference work not only for the serious RAF historian but for the ex POWs themselves and their families and anyone with an interest in the RAF in general and captivity in particular
