## **Soliah The Sara Jane Olson Story:**

*Soliah* Sharon Darby Hendry, 2002      Put the Money in My Purse! Judith A. Yates, 2022-01-27 Drawing on media reports interviews and court records this book recounts the stories of women bank robbers in the United States from the time of the Revolutionary War to the present Ranging from sensational to poignant to comical the heists of frontier outlaws gun molls insurrectionists housewives grandmas and young mothers literally robbing for Pampers are narrated as part of the social history of women in America      **Oddball Minnesota** Jerome Pohlen, 2003-04-01 Land of the world's largest prairie chicken birthplace of Spam and home of the world's oldest rock this is Minnesota where summers are short winters are long and back road wonders abound This entertaining guide wastes no time with descriptions of scenic lakes pristine bike trails or quaint cafés Instead it directs travelers and residents to the spot where Tiny Tim strummed his last notes on the ukulele to the Cold Spring chapel where two grasshoppers bow down to the Virgin Mary and to the McLeod County Museum where the mummy on display could be from Peru or outer space While ordinary tourists are fighting off mosquitoes in the Boundary Waters oddball travelers can size up the world's largest ear of corn and admire the fourth Zamboni ever built And one last thing there aren't 10,000 lakes in Minnesota there are 14,215 For travelers who are in search of the unusual there is no better reason to park the bike and hiking boots in the garage fill up the gas tank and hit the road to Minnesota where weirdness awaits      **Wanted Women** Mary Elizabeth Strunk, 2010-09-18 The iconic photo of Bonnie Parker cigar clenched in jaw pistol in hand says it all America loves its bad girls Now Mary Elizabeth Strunk tells us why *Wanted Women* is a startling look at the lives and legends of ten female outlaws who gained notoriety during the tumultuous decades that bracketed the tenure of FBI director J. Edgar Hoover Strunk looks at real life events and fictional portrayals to decipher what our obsession with these women says about shifting gender roles evolving law enforcement practices and American cultural attitudes in general These women's stories reveal what it takes and what it has meant to be a high profile female lawbreaker in America Strunk introduces us to Kathryn Mrs. Machine Gun Kelly Ma Barker and Bonnie Parker from the 1930s and from the 1970s we meet heiress turned revolutionary Patty Hearst five other women of the Symbionese Liberation Army and Black Panther Assata Shakur All saw themselves as struggling against an oppressive legal system All became wanted criminals and would play a part in shaping Hoover's legacy And all spent enormous amounts of energy attempting to manipulate public opinion in their favor Strunk argues that each woman's public persona was to some degree invented by Hoover who saw outlaw women as an alarming threat to public morality He went after them with a vengeance but in many ways his obsession only added to their reputations Strunk shows how Hoover's repeated use of popular culture to publicize the threat of violent women initially succeeded in strengthening his FBI but his approach became a liability by the time law enforcement was pitted against the women outlaws of the 1970s The book chronicles the careers of these infamous outlaws both in the real world and in popular culture film ads true crime stories autobiographies as well as Hoover's own forays into filmmaking It boasts 27 compelling

images of movie stills wanted posters and other ephemera that have been assembled nowhere else including rarely reproduced SLA artifacts Strunk's book is the first study to define the narrow formula necessary for a woman to cross over from criminal to outlaw Hitting on key notes of American culture from Black and gender studies to cinematic and legal history *Wanted Women* sets a new benchmark for how we view women and crime as it contributes fresh insights into twentieth century social history *Biography*, 2003 **Braille Book Review**, 2004-11 Women Criminals Vickie Jensen, 2011-11-10 A unique two volume study that examines female crime and the women who commit it The two volume *Women Criminals An Encyclopedia of People and Issues* addresses both key topics and key figures in women's crime The first volume provides topical essays about areas critical to the understanding of female criminals such as the definition of women's crime explanations of women's criminality ethnic and age diversity in female criminals and responses of the criminal justice system The second volume comprises biographical entries profiling women who are obviously criminals such as Aileen Wuornos and Myra Hindley and also women who were victims of circumstance unjust laws or narrowly applied definitions of crime such as Rosa Parks Harriet Tubman and Sophie Scholl In addition to highlighting the breadth of women's criminality these portraits provide a holistic multifaceted understanding of the dynamics of women's crime and why it occurs connecting the individual stories to the larger social scientific perspectives Care has been taken to include the women's own voices and perspectives where possible and to address the intentions and reasoning of the system that responded to their criminality

**Los Angeles Magazine**, 2000-01 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian
