Ball,2014-05-19 Some of the legendary gunmen of the Old West were lawmen but more like Billy the Kid and Jesse James were outlaws Tom Horn 1860 1903 was both Lawman soldier hired gunman detective outlaw and assassin this darkly enigmatic figure has fascinated Americans ever since his death by hanging the day before his forty third birthday In this masterful historical biography Larry Ball a distinguished historian of western lawmen and outlaws presents the definitive account of Horn's career Horn became a civilian in the Apache wars when he was still in his early twenties He fought in the last major battle with the Apaches on U S soil and chased the Indians into Mexico with General George Crook He bragged about murdering renegades and the brutality of his approach to law and order foreshadows his controversial career as a Pinkerton detective and his trial for murder in Wyoming Having worked as a hired gun and a range detective in the years after the Johnson County War he was eventually tried and hanged for killing a fourteen year old boy Horn's guilt is still debated To an extent no previous scholar has managed to achieve Ball distinguishes the truth about Horn from the numerous legends Both the facts and their distortions are revealing especially since so many of the untruths come from Horn's own autobiography As a teller of tall tales Horn burnished his own reputation throughout his life In spite of his services as a civilian scout and packer his behavior frightened even his lawless companions Although some writers have tried to elevate him to the top rung of frontier gun wielders questions still shadow Horn's reputation Ball's study concludes with a survey of Horn as described by historians novelists and screenwriters since his own time These portrayals as mixed as the facts on which they are based show a continuing fascination with the life and legend of Tom Horn

**Colorado Outlaws & Lawmen** Nancy K. Williams, 2025-04-22 *Taming a Tumultuous Territory*  
Hollywood westerns of the twentieth century brought a history of raucous frontier justice to life, but 1800s Colorado was anything but fiction. Bandits held up the Denver and Rio Grande train at Unaweep Switch while another gang stole 50,000 from the express car at Cotopaxi. The Bloody Espinosas, who left mutilated bodies along lonely mountain trails, terrorized southern Colorado. The Reynolds Gang held up South Park stagecoaches while Tom McCarty and Matt Warner robbed banks. These unruly times demanded a society where the law prevailed. Dave Cook started the Rocky Mountain Detective Association and improved crime-fighting methods. Tom Tobin tracked down two serial killers using his wilderness skills. Doc Shores, who always got his man, earned his nickname, the Bloodhound. Author Nancy K. Williams hunts down the good, the bad, and the ugly characters who color Colorado's past.
