Pediatric Nursing is intended for Pediatric Nursing courses with an integrated pediatric curriculum. It provides a unique concept based approach and nursing process focus that helps students go from concept to application by building on previously mastered knowledge from other courses. Organized into four logical units, Kyle Essentials of Pediatric Nursing covers a broad scope of topics with an emphasis on common issues and pediatric specific information. In addition, it has a variety of learning features to ensure student retention such as Healthy People 2010 boxes, Threaded Case Studies and Comparison Charts highlighting common diseases. Plus, it includes a BONUS CD ROM and companion website that provide numerous resources for both students and instructors including video clips of each developmental stage and care of the hospitalized child.

**Alphabets And Numbers For Toddlers** Nora Artchan, 2020-11-25 If you are looking for a book for your toddler to learn about words and numbers, this is the one to get. This 3 in 1 book teaches your kids to count numbers and diversify their vocabulary by learning new words all this in a fun way by coloring different high quality images. You can use this book as a parallel activity with the kids' homework or even to prepare to their first day of school. The pages of the book are made with great attention to details and printed on high quality paper and premium cover design and is perfectly sized at 8.5 x 11.100 pages. What you will find inside the book: Numbers, Letters, Connect the dots, And More. This book is suitable for toddlers and kids between 3 to 5 years old.

**Welcome Home, Forever Child** Christine Mitchell, 2007-01-18 Finally a book that genuinely celebrates a young child joining their forever family past infancy. With its touching message of love and reassurance and whimsical illustrations, Welcome Home Forever Child is sure to be cherished by children and parents alike. While best suited to children ages two to eight, this gem will undoubtedly be enjoyed by older children as well. Most children's adoption books reflect infant adoptions and may not be appropriate for the older child who spent their early years in foster care or an orphanage. Welcome Home Forever Child is a much-needed book that social workers and therapists will want to recommend to families who adopted their child past the age of two. The book helps parents reassure children of their permanent place in the new family and of how much they are wanted and loved. It will also make a very special and meaningful keepsake gift for a child upon joining his or her new family upon finalizing the adoption or upon the anniversary of either event.
