

NORTH. SOUTH. EAST. WEST
REGIONAL STORIES ABOUT AMERICAN CHILDREN

The background of the book cover is a deep teal color with a subtle, wavy pattern. In the upper half, two large birds are depicted in flight. The bird on the left is a reddish-brown hawk or falcon, shown in profile with its wings spread. The bird on the right is a larger, grey and white bird, possibly a heron or egret, with long legs and a long neck. In the lower half, four children are gathered on a grassy area. From left to right: a boy with blonde hair wearing a dark blue sailor-style shirt and shorts, sitting on the ground; a girl with brown hair wearing a red dress, standing; a girl with dark hair wearing a pink shirt and red pants, sitting and holding a large green book open; and a girl with dark hair wearing a red top and brown pants, sitting and holding a large, light-colored umbrella. To the left of the children, there are two small white daisy-like flowers. The title 'TOLD UNDER SPACIOUS SKIES' is centered within a white, scalloped-edged oval shape.

TOLD UNDER SPACIOUS SKIES

SELECTED BY THE ASSOCIATION FOR
CHILDHOOD EDUCATION INTERNATIONAL

Told Under Spacious Skies

**United States. Congress. House.
Education and Labor**

Told Under Spacious Skies:

Told Under Spacious Skies Literature Committee of the Association for Childhood Education,1952 Stories showing how children live in various sections of our country Grades 5 7 **Told Under Spacious Skies** Association for Childhood Education International. Literature Committee,1966 *Told Under Spacious Skies*, 1952 **Told Under Spacious Skies** Association for Childhood Education International,1952 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1952 Includes Part 1A Books **Consuming Knowledge: Studying Knowledge Use in Leisure and Work Activities** Steven D. Silver,2012-12-06 It is difficult to overstate the importance of personal consumption both to individual consumers and to the economy While consumer are recognized as valuing market goods and services for the activities they can construct from them in the frameworks of several disciplines consequences of the characteristics of goods and services they use in these activities have not been well studied In the discourse to follow I will contrast knowledge yielding and conventional goods and services as factors in the construction of activities that consumers engage in when they are not in the workplace Consumers will be seen as deciding on non work activities and the inputs to these activities according to their objectives and the values and cumulated skills they hold I will suggest that knowledge content in these activities can be efficient for consumer objectives and also have important externalities through its effect on productivity at work and economic growth The exposition will seek to elaborate these points and contribute to multi disciplinal dialogue on consumption It takes as its starting point the contention that consumption is simultaneously an economic and social psychological process and that integration of content can contribute to explanation **Told Under Spacious Skies** Association for Childhood Education International.
