## **Tolstoy His Life And Writings:**

**Last Steps: The Late Writings of Leo Tolstoy** Leo Tolstoy,2009-10-29 1910 Anna Karenina and War and Peace have made Leo Tolstoy the world's most famous author. But fame comes at a price. In the tumultuous final year of his life, Tolstoy is desperate to find respite so leaves his large family and the hounding press behind and heads into the wilderness. Too ill to venture beyond the tiny station of Astapovo, he believes his last days will pass in isolation. But as we learn through the journals of those closest to him, the battle for Tolstoy's soul will not be a peaceful one. Jay Parini introduces, translates and edits this collection of Tolstoy's autobiographical writing, diaries and letters related to the last year of Tolstoy's life, published to coincide with the 2009 film of Parini's novel *The Last Station: A Novel of Tolstoy's Final Year*.

**Death and the Meaning of Life** Leo Tolstoy,2000 Presents materials that reveal the essence of Tolstoy's beliefs on immortality, death, God and the meaning of life. Contains two booklets About Immortality No. 751 and About Death No. 752, compiled by Tolstoy comprising quotations from various philosophers explaining the meaning that death gives to life, essays explaining the actions that Tolstoy thought must be taken to grow spiritually and finally diary entries translated here for the first time in English pertaining to spiritual themes made during the last year of Tolstoy's life.

This volume is a great addition at the coffee table or in the bedroom for exploring the mind and life of the literary giant during times of solitude.

**Anna Karenina** Leo Tolstoy,2013-02-18 Leo Tolstoy's classic story of doomed love is one of the most admired novels in world literature. Generations of readers have been enthralled by his magnificent heroine, the unhappily married Anna Karenina, and her tragic affair with dashing Count Vronsky. In their world, frivolous liaisons are commonplace, but Anna and Vronsky's consuming passion makes them a target for scorn and leads to Anna's increasing isolation. The heartbreakingly tragic trajectory of their relationship contrasts sharply with the colorful swirl of friends and family members who surround them.

especially the newlyweds Kitty and Levin who forge a touching bond as they struggle to make a life together Anna Karenina is a masterpiece not only because of the unforgettable woman at its core and the stark drama of her fate but also because it explores and illuminates the deepest questions about how to live a fulfilled life **TOLSTOY** EDWARD. GARNETT,2018

*Sophia Tolstoy* Alexandra Popoff,2010-05-11 As Leo Tolstoy's wife Sophia Tolstoy experienced both glory and condemnation during their forty eight year marriage She was admired as the muse and literary assistant to one of the world's most celebrated novelists But when in later years Tolstoy became a towering public figure and founded a new brand of religion she was scorned for her disagreements with him And it is this version of Sophia malicious shrill perennially at war with Tolstoy that has gone down in the historical record Drawing on newly available archival material including Sophia's unpublished memoir Alexandra Popoff presents a dramatically different and accurate portrait of the woman and the marriage This lively well researched biography demonstrates that contrary to popular belief Sophia was remarkably supportive of Tolstoy and was in fact key to his fame Gifted and versatile Sophia assisted Tolstoy during the writing of War and Peace and Anna Karenina Having modeled his most memorable female characters on her Tolstoy admired his wife's boundless energy which he called the force of life Sophia's letters never before translated illuminate the couple's true relationship and provide insights into Tolstoy's creative laboratory Although long portrayed as an elitist and hysterical countess Sophia was in reality a practical independent minded generous and talented woman who shared Tolstoy's important values and his capacity for work Mother of thirteen she participated in Tolstoy's causes and managed all business affairs Popoff describes in haunting detail the intrusion into their marriage by Tolstoy's religious disciple Vladimir Chertkov who controlled Tolstoy at the end of his life and led a smear campaign against Sophia branding her evil and mad She is still judged by Chertkov's false accounts which dismissed her valuable achievements and contributions During his later religious phase Tolstoy renounced his property and copyright and Sophia had to become the breadwinner She published Tolstoy's collected works and supported their large family Despite the pressures of her demanding life she realized her own talents as a writer photographer translator and aspiring artist This vigorous engrossing biography presents in fascinating depth and detail the many ways in which Sophia Tolstoy enriched the life and work of one of the world's most revered authors **Tolstoy** A. N. Wilson,1988 In this landmark biography of Count Lev Nikolayevich Tolstoy A N Wilson narrates the complex drama of the writer's life his childhood of aristocratic privilege but emotional deprivation his discovery of his literary genius after aimless years of gambling and womanizing and his increasingly disastrous marriage Wilson sweeps away the long held belief that Tolstoy's works were the exact mirror of his life and instead traces the roots of Tolstoy's art to his relationship with God with women and with Russia He also breaks new ground in recreating the world that shaped the great novelist's life and art the turmoil of ideas and politics in nineteenth century Russia and the incredible literary renaissance that made Tolstoy's work possible Admirable Absorbing Superb Anthony Burgess Stands as a model of the biographer's art intelligent and opinionated yet judicious and

what's more deliciously readable Michiko Kakutani New York Times Tolstoy Rosamund Bartlett, 2011 Born into an aristocratic family Tolstoy had spent his life rebelling not only against conventional ideas about literature and art but also against traditional education family life organized religion and the state In this exceptional biography Bartlett delivers an eloquent portrait of the brilliant maddening and contrary man who has been discovered by a new generation of readers

**Autobiographical Trilogy** Count Leo Nikolayevich Tolstoy, Leo Tolstoy, 2014-09-19 Leo Tolstoy September 9 1828 November 20 1910 was a Russian writer who earned fame and global renown for his novels War and Peace and Anna Karenina Writing during the late 19th century Tolstoy lived during a literary period in which Realism flourished and today his two novels are considered the apex of realist fiction Tolstoy is also known for his complex and somewhat paradoxical persona holding both moralistic and ascetic views during the final decades of his life **On Life and Essays on Religion** Leo Nikolayevich Tolstoy, Leo Tolstoy, 2008-11 ON LIFE AND ESSAYS ON RELIGION BY LEO TOLSTOY Translated with an Introduction by AYLMER MAUDE D P R 1 cc No OXFORD UNIVERSITY PRESS LONDON HUMPHREY MILFORD LEO TOLSTOY Born Yasnaya Polyana Tula August 28 old style September 9 n s 1828 Died Astapovo Riazan November 9 old style November 22 n s 1910 I On Life was first published in 1887 and the essays between 1894 and 1909 In The Worlds Classics Mr Aylmer Maudes translation was first published in 1934 7 00 PRINTED IN GREAT BRITAIN CONTENTS INTRODUCTION BY AYLMER MAUDE vii ON LIFE 1887 i RELIGION AND MORALITY 1894 168 REASON AND RELIGION 1894 199 HOW TO READ THE GOSPELS 1896 205 PREFACE TO THE CHRISTIAN TEACHING 1 1898 209 A REPLY TO THE SYNODS EDICT OF EXCOMMUNICATIO 1901 214 WHAT IS RELIGION 1902 226 AN APPEAL TO THE CLERGY 1302 282 THE RESTORATION OF HELL 1903 309 CHURCH AND STATE 1904 331 THE TEACHING OF JESUS 1909 347 INDEX 410 INTRODUCTION ON LIFE is Tolstoy's statement of the conclusions he had reached by 1887 after ten years devoted to thought and study on religion No one acquainted with his life and works can reasonably doubt that he was one of the frankest and sincerest men who ever lived but if further evidence on that point were needed this work would supply it considering the circumstances under which it was written By a careful study of the Church creeds Tolstoy had reached the conclusion that they consist of meaningless verbiage and incredible statements which afford no real guidance for life An even more intense and prolonged study of the Gospels convinced him that the understanding of life held by Jesus was reasonable and affords the best possible guidance for life But it seemed to him that the Church by declaring the sixty six books in the Bible to be all equally inspired by God had reduced them to one dead level so that the precepts of Jesus are presented as no more divine than the legends of the Old Testament or the record of the cruel deeds of a jealous Jehovah More than that he was convinced that the essential teaching of Jesus has been twisted to link it up with the Jewish Scriptures and with records interspersed with miracles to attract the belief of an evil and adulterous generation seeking after a sign and has been misinterpreted in order to secure authority for a Church which when persecuting its rivals has not scrupled to slay thousands of human beings He therefore

defines the Church as power in the hands of certain men At the very peak of literary success he devoted viii INTRODUCTION ten years of his life to this study of religion and to clarify his conclusions wrote the works contained in this and another volume well knowing that their publication would be prohibited and that even if clandestinely circulated they would call down on him the ridicule of the advanced section of Russian society then for the most part under the influence of the materialistic philosophy which following on the success of Darwins teaching expected ere long to be able to explain man by mechanics and demonstrate the senselessness of all religion To them the fact that the author of War and Peace seriously occupied himself with religion seemed almost to indicate that he had taken leave of his senses On the other hand the Orthodox Russo Greek Church under the guidance of Pobedonostsev the lay Head of the Most Holy Synod actively persecuted dissenters suppressed books it disapproved of and though after some hesitation it refrained from physically molesting Tolstoy he knew that he was exposing himself and his friends to danger and incurring the grave displeasure of the authorities of Church and State He also incurred the disapproval and hostility of his wife to whom the favour of the powers that be was of much concern
