Tolstoy Or Dostoyevsky:

Tolstoy or Dostoevsky George Steiner, 2013-04-16 The first book of criticism from the acclaimed author of *After Babel* a provocative and probing look at Russian literature's most influential writers. The New York Times Literary criticism writes Steiner should arise out of a debt of love. Abiding by his own rule, *Tolstoy or Dostoevsky* is an impassioned work inspired by Steiner's conviction that the legacies of these two Russian masters loom over Western literature. By explaining how Leo Tolstoy and Fyodor Dostoevsky differ from each other, Steiner demonstrates that when taken together, their work offers the most complete portrayal of life and the tension between the thirst for knowledge on one hand and the longing for mystery on the other. An instant classic for scholars of Russian literature and casual readers alike, *Tolstoy or Dostoevsky* explores two powerful writers and their opposing modes of approaching the world and the enduring legacies wrought by their works.

Or Dostoevsky George Steiner, 1959 [Tolstoy As Man and Artist with an Essay on Dostoyevsky](#) Dmitry Merezhkovsky, 2021-06-08 *Tolstoy as Man and Artist with an Essay on Dostoevsky* 1901 is a work of literary criticism by Dmitriy Merezhkovsky. Having turned from his work in poetry to a new spiritually charged interest in fiction, Merezhkovsky sought to develop his theory of the Third Testament, an apocalyptic vision of Christianity's fulfillment in twentieth-century humanity. In this collection of essays on Tolstoy and Dostoevsky, Merezhkovsky explores the spiritual dimensions of the written word by examining the interconnection of being and writing for two of Russian literature's most iconic writers. For Dmitriy Merezhkovsky, an author who always wrote with philosophical and spiritual purpose, the figure of the artist as a human being is a powerful tool for understanding the quality and focus of that artist's work. Leo Tolstoy, author of such classics as *War and Peace* and *Anna Karenina*, developed a reputation as an ascetic, deeply spiritual man who envisioned his art as an extension of his political and religious beliefs. Dostoevsky, while perhaps more interested in the psychological aspects of human life, pursued a similar path in such novels as *The Brothers Karamazov* and *Crime and Punishment*. In Merezhkovsky's view, these writers came to embody in their lives and works the particularly Russian conflict between truths both human and divine. *Tolstoy as Man and Artist with an Essay on Dostoevsky* is an invaluable text both for its analysis of its subjects and for its illumination of the philosophical concepts explored by Merezhkovsky throughout his storied career. With a beautifully designed cover and professionally typeset manuscript, this edition of Dmitriy Merezhkovsky's *Tolstoy as Man and Artist with an Essay on Dostoevsky* is a classic work of Russian literature reimaged for modern readers.

(Jr.), Bernice Waitz Mundt, Edith Lavinia Nelson, Elizabeth Ellen Neff, Ernest Campbell Mossner, Gertrude A. Muller, Harry Moskowitz, Joseph Mowshowitz, Yotarou Nakagawa, 1930 **Tolstoy: An Approach bound with Dostoevsky: A Study** Janko Lavrin, 2014-09-04 This volume contains two concise works by the innovative twentieth century literary critic Janko Lavrin offering accessible and thoughtful introductions to the two greatest Russian novelists. It provides a perfect point of access into the often bewildering world of Russian literature and the troubled geniuses which created it. Tolstoy An Approach first published in 1944 is an attempt to interpret Tolstoy as an artist and thinker in light of the twentieth century experience specifically it seeks to discern the relationship between Tolstoy the novelist and Tolstoy the religious pseudo prophet thereby articulating the contours of his most essential ethical and psychological insights. In Dostoevsky A Study published first in 1943 Lavrin suggests a wide range of valuable observations and intriguing possibilities exploring the enigmatic and perennially fascinating Dostoevsky in terms of the inter connections between his life his thought his relationships his writing and the socio cultural circumstances in which he found himself **Education and the Limits of Reason** Peter Roberts, Herner Saeverot, 2017-07-06 In recent decades a growing body of educational scholarship has called into question deeply embedded assumptions about the nature value and consequences of reason. Education and the Limits of Reason extends this critical conversation arguing that in seeking to investigate the meaning and significance of reason in human lives sources other than non fiction educational or philosophical texts can be helpful. Drawing on the work of Dostoevsky, Tolstoy and Nabokov the authors demonstrate that literature can allow us to see how reason is understood and expressed contested and compromised by distinctive individuals under particular circumstances in complex and varied relations with others. Novels plays and short stories can take us into the workings of a rational or irrational mind and show how the inner world of cognitive activity is shaped by external events. Perhaps most importantly literature can prompt us to ask searching questions of ourselves it can unsettle and disturb and in so doing can make an important contribution to our educational formation. An original and thought provoking work Education and the Limits of Reason offers a fresh perspective on classic texts by Dostoevsky, Tolstoy and Nabokov and encourages readers to reconsider conventional views of teaching and learning. This book will appeal to a wide range of academics researchers and postgraduate students in the fields of education literature and philosophy **The Greatest Russian Short Stories & Plays** William Lyon Phelps, Maxim Gorky, Anton Chekhov, A.S. The Epic of Russian Literature from Its Origins Through Tolstoy Marc Slonim, 1964 This is the first volume of Dr Slonim's three volume history of Russian literature. With the vigor and scope the subject demands this book traces the thousand year evolution of Russian literature from its sources through Tolstoy. It presents a comprehensive picture of the golden age of Russian writing from the first flourishing under the patronage of Catherine the Great through the works of Pushkin, Lermontov, Gogol, Ostrovsky, Goncharov, Nekrassov, Tiutchev, Turgenev, Dostoevsky and Tolstoy. Writers who have been neglected in previous surveys receive their due attention here. The poets whose influence is as profound today as it was then and the critics whose work illuminates the present as well as the past. Fact and interpretation have been brought up to date through consideration of scholarship and criticism in the Soviet Union since 1918. For centuries the ideals and hopes of the Russian people have found their expression in Russian literature. This book in which literary works, personalities and trends are introduced in historical context will bring the reader closer to an understanding of Russian character and achievement.

Fyodor Dostoyevsky Liújubov' Fëodorovna Dostoevskaiá, 1921 **Before They Were Titans** Elizabeth Cheresh Allen, 2019-08-28 Dostoevsky and Tolstoy are the titans of Russian literature. As mature artists they led very different lives and wrote vastly different works but their early lives and writings display provocative kinships while also indicating the divergent paths the two authors would take en route to literary greatness. The ten new critical essays here written by leading specialists in nineteenth century Russian literature give fresh sophisticated readings to works from the first decade of the literary life of each Russian author for Dostoevsky the 1840s for Tolstoy the 1850s. Collectively these essays yield composite portraits of these two artists as young men finding their literary way. At the same time they show how the early works merit appreciation for themselves before their authors were Titans.
