Tom Swift And His Electric Locomotive:

Tom Swift and His Electric Locomotive Victor Appleton, 2013-04-15 Published in 1922 this is the adventures of Tom Swift and his electric locomotive *Tom Swift and His Electric Locomotive* Victor Appleton, 2017-01-03 American boys fiction under pseudonym used by the Stratemeyer Syndicate who produced Tom Swift series Nancy Drew mysteries the Hardy Boys Dave Fearless and many others In this installment our hero designs a new electric locomotive for a railroad out west Competitors of that road pull the usual hijinx to stop Tom and ruin the railroad of the good guys The book is actually well informed about electrification of railroads Of course in the story the road is well situated to take advantage of electrification but suffers none of the disadvantages that in reality prevented large scale electrification **Tom Swift and His Electric Locomotive; Or, Two Miles a Minute on the Rails**, 2015-12-26 Victor Appleton was a popular author in the 20th century but Victor was not a single individual instead that name was used as a pseudonym by the Stratemeyer Syndicate to put out the popular Tom Swift series *Tom Swift and His Electric Locomotive, Or, Two Miles a Minute on the Rails* Victor Appleton, 1922 *Tom Swift and His Electric Locomotive* Victor Appleton, 2017-06-03 Richard Bartholomew president of the Hendrickton and Pas Alos Railroad Company H PA is under pressure to save his company from bankruptcy If Mr Bartholomew cannot come up with a means to compete with the Hendrickton Western railroad the H PA will be doomed to failure Mr Bartholomew has contracted The Swift Construction Company to build a new electric locomotive which can travel at 2 miles per minute 120 miles per hour 190 km h The catch is that the owner of the competing H W railway Montagne Lewis is dishonest and will stop at nothing to prevent Mr Bartholomew from succeeding Hired thugs are under orders to destroy Tom's developments Tom and his friends Ned Newton and Mr Damon have several life threatening encounters with these hired gunmen **Tom Swift and His Electric Locomotive; Or, Two Miles a Minute on the Rails** Appleton Victor, 2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Tom Swift and His Electric Locomotive** Victor Appleton, 2008-06-01 Tom Swift is the hero in several series of juvenile adventure novels which began in the early twentieth century Tom is a genius inventor whose breakthroughs in technology drive the plots of his books *Tom Swift and His Electric Locomotive Illustrated* Victor Appleton, 2020-09-05 *Tom Swift and His Electric Locomotive Or Two Miles a Minute on the Rails* is Volume 25 in the original Tom Swift novel series *Tom Swift and His Electric Locomotive, Or, Two Miles a Minute on the Rails* Victor [pseud.] Appleton, 2012 This book is part of the TREDITION CLASSICS It contains classical literature works from over two thousand years Most of these titles have been out of print and off the bookstore shelves for decades The book series is intended to

preserve the cultural legacy and to promote the timeless works of classical literature Readers of a TREDITION CLASSICS book support the mission to save many of the amazing works of world literature from oblivion With this series tredition intends to make thousands of international literature classics available in printed format again worldwide *Tom Swift and His Electric Locomotive; Or, Two Miles a Minute on the Rails* Victor Appleton, 2013-10 An electric locomotive that can make two miles a minute over a properly ballasted roadbed might not be an impossibility said Mr Barton Swift ruminatively It is one of those things that are coming and he flashed his son Tom Swift a knowing smile It had been a topic of conversation between them before the visitor from the West had been seated before the library fire and had sampled one of the elder Swift's good cigars It is not only a future possibility said the latter gentleman shrugging his shoulders As far as the Hendrickton and Pas Alos Railroad Company goes a two mile a minute gait not alone on a level track but through the Pas Alos Range is an immediate necessity It's got to be done now or our stock will be selling on the curb for about two cents a share You do not mean just that do you Mr Bartholomew asked Tom Swift earnestly and staring at the big little man before the fire Mr Richard Bartholomew was just that a big little man In the railroad world both in construction and management he had made an enviable name for himself **Tom Swift and His Electric Locomotive, Or, Two Miles a Minute on the Rails** Victor Appleton, 2017-06-19 TOM WANTS EXCITEMENT Have you anything special to do to night Ned asked Tom Swift the well known inventor as he paused in front of his chum's window in the Shopton National Bank No nothing in particular replied the bank clerk as he stacked up some bundles of bills Why do you ask I wanted you to come over to the house for a while Going to have a surprise party or something like that No only I've got something I'd like to show you A new invention Well not exactly new You've seen it before but not since I've improved it I'm speaking of my new electric rifle I've got it ready to try now and I'd like to see what you think of it There's a rifle range over at the house and we can practice some shooting if you haven't anything else to do I haven't and I'll be glad to come What are you doing in the bank anyhow putting away more of your wealth Tom Yes I just made a little deposit It's some money I got from the government for the patents on my sky racer and I'm salting it down here until Dad and I can think of a better investment Good idea Bring us all the money you can and the bank clerk who held a small amount of stock in the financial institution laughed his chum joining in with him Well then I'll expect you over this evening went on the youthful inventor as he turned to leave the bank Yes I'll be there Say Tom have you heard the latest about Andy Foger No I haven't heard much since he left town right after I beat him in the aeroplane race at Eagle Park Well he's out of town all right and I guess for a long time this trip He's gone to Europe To Europe eh Well he threatened to go there after he failed to beat me in the race but I thought he was only bluffing No he's really gone this time Well I for one am glad of it Did he take his aeroplane along Yes that's what he went for It seems that this Mr Landbacher the German who really invented it and built it with money which Mr Foger supplied has an idea he can interest the German or some other European government in the machine Andy wanted to go along with him and as Mr Foger financed the scheme I

guess he thought it would be a good thing to have some one represent him So Andy s gone Then he won t bother me Well I must get along I ll expect you over to night and with a wave of his hand Tom Swift hurried from the bank The young inventor jumped into his electric runabout which stood outside the institution and was about to start off when he saw a newsboy selling papers which had just come in from New York on the morning train Here Jack give me a TIMES called Tom to the lad and he tossed the newsboy a nickel Then after glancing at the front page and noting the headings Tom started off his speedy car in which on one occasion he had made a great run against time

Tom Swift and His Electric Locomotive Or Two Miles a Minute on the Rails Victor Appleton,2021-04-03 If Mr Bartholomew can t find a way to compete with Hendrickton and Western Railroad then H PA will surely fail Bartholomew has signed a contract with The Swift Construction Company to build a new electric locomotive that will travel at a speed of 2 miles per minute 120 miles per hour 190 km h

Tom Swift and His Electric Locomotive Howard R Garis,2021-01-21 Book Excerpt world Dad his son replied But he did not go into details Tom considered the safest place in the world just then was his own wallet which was tucked into an inside pocket of his vest I m going to see Mary Nestor Father said Tom as he went to the front door and opened it He halted a moment with the knob of the door in his hand The porch was deep in shadows but he thought he had seen something move there That you Koku asked Tom in an ordinary voice Sometimes his gigantic servant wandered about the house at night He was a strange person and he had a good many thoughts in his savage brain that even his young master did not understand There was no reply to Tom s question so he walked down the steps and out at the gate It was not a long distance to the Nestor house and the air was brisk and keen in spite of the fact that threatening clouds masked the stars
