Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving and promoting the world's literature in affordable, high quality modern editions that are true to the original work. ***The Hidden Stone Mystery*** Fran Striker, 1955 ***The Hidden Stone Mystery*** Fran Striker, 2020-04-20 Tom Quest, hero of this exciting adventure series, finds action, suspense and thrills this time in the mysterious and rugged American West. Fran Striker, born Francis Hamilton Striker, August 19, 1903, September 4, 1962, was an American writer for radio and comics, best known for creating The Lone Ranger, The Green Hornet and Sgt. Preston of the Yukon. ***Secrets of the Stones*** Paul Wright Taylor, 2024-07-24 When Thomas discovers a strange stone covered with symbols and runes near Hadrian's Wall, he finds himself drawn into the mystery of a secret ancient organization known as the Stewards. Consulting his fellow academics, the archaeologist is determined to learn more about this elite group and their apparent connection to extraterrestrial visits to Earth over the course of human evolution. The protagonist slowly unravels a hidden story of Alien influence from early agricultural developments to modern space exploration and their partnership with the Stewards to protect and safeguard the knowledge of their visits and to help maintain the balance of the natural order both on Earth and within the cosmos. The archaeology professor's research leads him to holy sites throughout Britain and the influence of Celtic Spirituality as he explores what the Celts called 'thin places'. Over the course of his quest, Thomas is given another stone etched with a strange glyph, but his journey of discovery puts him in the path of the Apostles of Hades, a sinister group determined to undermine this balance. Drawn to Stonehenge, Thomas meets another professor whose field of study is the ancient stone monument. Revealing herself to be a modern day Steward, Dr Vaughn, assists Thomas in unravelling the secrets of the artifacts and together they gain allies to defeat the Apostles of Hades. When the true power of the stones is discovered, Thomas and the now powerful Stewards find themselves in a cosmic clash to preserve the future of Earth's existence. The novel is a familiar plot of science fiction, yet with an intriguing Celtic twist. ***The Whole Story*** John E.
