## Tongue In Cheek Proverb:

**Yoruba Proverbs** Oyekan Owomoyela, 2005-01-01 Yoruba Proverbs is the most comprehensive collection to date of more than five thousand Yoruban proverbs that showcase Yoruba oral tradition. Following Oyekan Owomoyela's introduction which provides a framework and description of Yoruba cultural beliefs, the proverbs are arranged by theme into five sections: the good person, the fortunate person, or the good life, relationships, human nature, rights and responsibilities, and truisms. Each proverb is presented in Yoruba with a literal English translation followed by a brief commentary explaining the meaning of the proverb within the oral tradition. This definitive source book on Yoruba proverbs is the first to give such detailed systematic classification and analysis alongside a careful assessment of the risks and pitfalls of submitting this genre to the canons of literary analysis.

**BOOK JACKET** *Proverb Book*, [Behold the Proverbs of a People](#) Wolfgang Mieder, 2014-10-30 The thirteen chapters of this book comprise an intriguing and informative entry into the world of proverb scholarship, illustrating that proverbs have always been and continue to be wisdom's international currency. The first section of the book focuses on the field of paremiology, proverb studies in general, the spread of Anglo-American proverbs in Europe and the phenomenon of modern proverbs. The second section analyzes the use of proverbs in the world of politics, including a chapter on President Obama, while the third concentrates on the uses of proverbs in literature. The final section ends with detailed cultural studies of the origin, history, dissemination, use, function and meaning of specific proverbs. Noted scholar Wolfgang Mieder shows that proverbs matter in culture, literature and politics. Proverbs remain part and parcel of oral and written communication and he demonstrates they deserve to be studied from a range of viewpoints. While various chapters deal with a variety of issues and approaches, they cohere through a rhetorical perspective that looks at the text, texture and context of proverbs as speech acts that make a noteworthy impact on culture and society. Whether proverbs appear in everyday speech, on the radio, on television, in films, on the pages of newspapers or magazines, in advertisements, in literary works or in political speeches, they serve as formulaic verbal devices to add authoritative weight through tradition, convention and wisdom.

**Modern Proverbs and Proverbial Sayings** Bartlett Jere Whiting, 1989 A collection of British and American proverbs that are currently in use.
