*Printers' Ink; the ... Magazine of Advertising, Management and Sales*, 1898      The Gospels as Stories Jeannine K. Brown, 2020-06-16 Popular writer and teacher Jeannine Brown shows how a narrative approach illuminates each of the Gospels helping readers see the overarching stories This book offers a corrective to tendencies to read the Gospels piecemeal one story at a time It is filled with numerous examples and visual aids that show how narrative criticism brings the text to life making it an ideal supplementary textbook for courses on the Gospels Readers will gain hands on tools and perspectives to interpret the Gospels as whole stories      *Revising Pentecostal History* Rakel Ystebo Alegre, Torbjorn Aronson, David M. Gustafson, 2024-11-12 Modern Pentecostalism in America began around the turn of the twentieth century and most historians of this history have drawn from the available English language sources Very few historians of American Pentecostalism knew of source materials in the Scandinavian languages of Norwegian and Swedish This present volume argues that American Pentecostal history cannot be understood apart from both the texts and the people who participated in and contributed to the Pentecostal movement in America including first generation immigrants from Scandinavia and second generation Scandinavian Americans *Revising Pentecostal History* describes ways in which Scandinavian Americans have contributed to and played a role in the development of the Pentecostal movement The volume presents crucial findings from rarely if ever used sources that inform how American Pentecostalism is understood These findings prompt a revising of Pentecostal history

*Printers' Ink*, 1897      **The National Magazine**, 1903      **Encyclopedia of Nineteenth-Century Photography** John Hannavy, 2013-12-16 The Encyclopedia of Nineteenth Century Photography is the first comprehensive encyclopedia of world photography up to the beginning of the twentieth century It sets out to be the standard definitive reference work on the subject for years to come Its coverage is global an important first in that authorities from all over the world have contributed their expertise and scholarship towards making this a truly comprehensive publication The Encyclopedia presents new and ground breaking research alongside accounts of the major established figures in the nineteenth century arena Coverage includes all the key people processes equipment movements styles debates and groupings which helped photography develop from being a solution in search of a problem when first invented to the essential communication tool creative medium and recorder of everyday life which it had become by the dawn of the twentieth century The sheer breadth of coverage in the 1200 essays makes the Encyclopedia of Nineteenth Century Photography an essential reference source for academics students researchers and libraries worldwide      Masterplots...
