## **Some Views From The Campus:**

**Some Early Views of the Campus of the University of Michigan** Wilfred Byron Shaw, 1930      **Free Speech on Campus** Sigal R. Ben-Porath, 2017-07-14 From the University of California Berkeley to Middlebury College institutions of higher learning increasingly find themselves on the front lines of cultural and political battles over free speech Repeatedly students faculty administrators and politically polarizing invited guests square off against one another assuming contrary positions on the limits of thought and expression respect for differences the boundaries of toleration and protection from harm In *Free Speech on Campus* political philosopher Sigal Ben Porath examines the current state of the arguments using real world examples to explore the contexts in which conflicts erupt as well as to assess the place of identity politics and concern with safety and dignity within them She offers a useful framework for thinking about free speech controversies both inside and outside the college classroom shifting the focus away from disputes about legality and harm and toward democracy and inclusion Ben Porath provides readers with strategies to de escalate tensions and negotiate highly charged debates surrounding trigger warnings safe spaces and speech that verges on hate Everyone with a stake in campus controversies professors students administrators and informed members of the wider public will find something valuable in Ben Porath s illuminating discussion of these crucially important issues      **Campus Speech and Academic Freedom** Erwin Chemerinsky, Howard Gillman, 2026-01-27 Expert guidance for navigating the difficult new issues around free speech rights in higher education In their earlier book *Free Speech on Campus* Erwin Chemerinsky and Howard Gillman argued that colleges and universities should permit the expression of the widest possible range of views Nearly ten tumultuous years later many issues have arisen that this simple principle does not adequately address To what extent must an institution provide expensive security for extremely controversial speakers Should colleges and universities defend faculty students or administrators who find themselves the victims of social media firestorms How should they handle the expression of controversial views or the use of offensive language in classrooms May academic departments or other administrative units or an entire school take positions on controversial political issues What rules should exist around campus protests or disruptive activities How should we assess government efforts to control faculty speech or curricular choices In *Campus Speech and Academic Freedom* two law professors and university administrators who have confronted these questions for years draw on their extensive real world experience to help campus leaders campus communities government officials and the public better understand and address the contentious issues surrounding campus speech      **The Shield** , 1920      *The Pomona College Quarterly Magazine* , 1920      *The Stanford Illustrated Review* , 1928      *The Campus* Carl Abell, 1919      *Hate Speech on Campus* Milton Heumann, Thomas W. Church, David P.
