Somewhere Between Trust And Treason:

Somewhere Between Trust and Treason Craig Curlette, 2004-10 Evan Taylor and his wife Carole lived the American dream They lived in an upscale neighborhood in Roswell Georgia just outside Atlanta made six figures drove nice cars and were financially able to do whatever they desired He thought life couldn't be any better but he found out he was wrong He was employed by Ballistatron a company that developed ballistic missiles warheads and advanced ammunition for the United States government It was so top secret that members of the CIA were present at all times He was responsible for the development of the latest designs and only he held the code that enabled the disks to be deciphered Katrina Cordell another top employee at Ballistatron approached him and demanded the codes to the disks and if he didn't give them to her he would never see his wife again He enlisted the help of his closest friend Wyatt Morgan and CIA agent Carlos Collins to help him find where they had taken his wife She only had 24 hours to live They raced against time and with the aid of the latest technology they learned that she was being held at an abandoned Navy facility in Key West The airlock chambers beneath the water were 300 feet below the surface He had to choose between his wife and the security of the United States but he was determined to save both

Intelligence Power in Peace and War Michael Herman, 1996-10-13 Intelligence services form an important but controversial part of the modern state Drawing mainly on British and American examples this book provides an analytic framework for understanding the intelligence community and assessing its value Michael Herman a former senior British Intelligence officer describes the various components of intelligence discusses what intelligence is for considers issues of accuracy evaluation and efficiency and makes recommendations for the future of intelligence in the post Cold War world
