Some Assembly Required George Bradley, 2021-04-21 George Bradley whose previous work has drawn praise from James Merrill and Harold Bloom here meditates on contemporary culture on the natural world and the world imagined and on the life of the poet Whether he is standing in line at the SuperSave where tabloids beckon or contemplating the change of seasons in a classic sonnet sequence Bradley juxtaposes the sublime workings of the mind with the mundane static that surrounds it What he finds in this conjunction is a surprising beauty a uniquely contemporary formal music and often a curative dose of humor Even verse itself is not exempt from his clarifying view as he proves in *How I Got in the Business* a wild ride through several sorts of commerce including the poetry trade Throughout *Some Assembly Required* Bradley savors both the riveting accident of everyday life and the long view afforded by art in poetry that is taut witty and dynamic *Some Assembly Required* Regina Sollers, 2016-12-24 Poems to bless inspire and comfort **Poetry**, 2006 **Some Assembly Required** Regina Sollers, 2013-03-15 **Some Assembly Required** Geoffrey Schmitt, 2015-03-07 This is a collection of poems about everyday life Some are fun and light hearted Some are serious and thoughtful Some are just simple thoughts about life All will entertain amuse or perhaps remind you of your own life's adventure *Some Assembly Required (Hope Sold Separately)* Sophia Armstrong, 2024-12-23 *Some Assembly Required Hope Sold Separately* invites readers into a world where fragments of experience and emotion collide forming a mosaic of introspection and resilience Through poignant verses the poet explores the delicate dance of hope and despair illustrating the complexity of assembling a fulfilling life amid chaos and uncertainty Each poem serves as a puzzle piece urging us to confront our vulnerabilities while celebrating the strength found in our shared humanity With a blend of raw honesty and lyrical beauty this collection challenges the notion of perfection suggesting instead that it is in the imperfect assembly of our stories that true hope emerges Prepare to be captivated by the vivid imagery and heartfelt reflections that echo the relentless pursuit of meaning and connection in a fractured world Join the journey of self discovery and embrace the idea that while hope may not come ready made it is often found in the act of creation itself **Some Assembly Required** Dana Lynne, Dana Johnson, 2009-09 *Junk Love Mending Wall The Gypsy Within Counter Clockwise Capture Nightfall Money Moon O Negative Toy Law No Crib for a Bed That Train* *Some Assembly Required* Calvin Chen, 2008 One linchpin of China's expansion has been township and village enterprises TVEs a vast group of firms with diverse modes of ownership and structure Based on the author's fieldwork in Zhejiang this book explores the emergence and success of rural enterprises This study also examines how ordinary rural residents have made sense of and participated in the industrialization engulfing them in recent decades How much does TVE success depend on the ruthless exploitation of workers How did peasants turned workers develop such impressive skills so quickly To what extent do employees' values affect the cohesion and operations of companies And how long can peasant workers sustain these efforts in the face of increasing market competition The author argues that the resilience of these factories has as

much to do with how authority is defined and how people interact as it does with the ability to generate profits How social capital was deployed and replenished at critical moments was central to the eventual rise and consolidation of these enterprises as effective robust institutions Without mutual respect company leaders would have found it impossible to improve their firms productivity workplace stability and long term viability **Some Assembly Required** G.
