

The background is a close-up of a glass surface, likely a window, covered in numerous water droplets of varying sizes. A vibrant, multi-colored light reflection, resembling a rainbow or a sunset, is visible on the left side, blending into the dark, moody tones of the rest of the image. The overall atmosphere is contemplative and emotional.

Sometimes Legend felt like her enemy,
sometimes he felt like her friend,
sometimes he felt like someone she used
to love, and every once in a while, he felt
like someone she still loved.

Sometimes Like A Legend:

Principles for Oral Narrative Research Axel Olrik, 1992-06-22 With this long awaited translation English readers now have available the rules which became the foundation of many folklore programs and the basis for the study of folk narrative **If You Should Go at Midnight** Jeffrey S. Debies-Carl, 2023-04-21 Tonight across America countless people will embark on an adventure They will prowl among overgrown headstones in forgotten graveyards stalk through darkened woods and wildlands and creep down the crumbling corridors of abandoned buildings They have set forth in search of a profound paranormal experience and may seem to achieve just that They are part of the growing cultural phenomenon called legend tripping In *If You Should Go at Midnight* Legends and Legend Tripping in America author Jeffrey S Debies Carl guides readers through an exploration of legend tripping drawing on years of scholarship documentary accounts and his own extensive fieldwork Poring over old reports and legends sleeping in haunted inns and trekking through wilderness full of cannibal mutants and strange beasts Debies Carl provides an in depth analysis of this practice that has long fascinated scholars yet remains a mystery to many observers Debies Carl argues that legend trips are important social practices Unlike traditional rites of passage they reflect the modern world revealing both its problems and its virtues In society as well as in legend tripping there is ambiguity conflict crisis of meaning and the substitution of debate for social consensus Conversely both emphasize individual agency and values even in spiritual matters While people still need meaningful and transformative experiences authoritative traditional institutions are less capable of providing them Instead legend trippers voluntarily search for individually meaningful experiences and actively participate in shaping and interpreting those experiences for themselves **The Works of Washington Irving: Mahomet and his successors, and Spanish legends** Washington Irving, 1895 *London Legends* John Yonge Akerman, Paul Pindar (pseud. [i.e. John Yonge Akerman.]), 1842 [The Faroe Islands](#) Jonathan Wylie, 2021-10-21 Stranded in a stormy corner of the North Atlantic midway between Norway and Iceland the Faroe Islands are part of the unknown Western Europe a region of recent economic development and subnational peoples facing uncertain futures This book tells the remarkable story of the Faroes cultural survival since their Viking settlement in the early ninth century At first an unruly little republic the islands soon became tributary to Norway dwindled into a Danish Norwegian mercantilist fiefdom and in 1816 were made a Danish province Today however they are an internally self governing Danish dependency with a prosperous export fishery and a rich intellectual life carried out in the local language Faroese Jonathan Wylie an anthropologist who has done extensive field work in the Faroes creates here a vivid picture of everyday life and affairs of state over the centuries using sources ranging from folkloric texts to parliamentary minutes and from census data to travelers tales He argues that the Faroes long economic stagnation preserved an archaic way of life that was seriously threatened by their economic renaissance in the nineteenth century especially as this was accompanied by a closer political incorporation into Denmark The Faroese accommodated increasingly profound social change by selectively

restating their literary and historical heritage Their success depended on domesticating a Danish ideology glorifying folkish ways and so claiming a nationality separate from Denmark s The book concludes by comparing the Faroes nationality without nationhood to the contrasting situations of their closest neighbors Iceland and Shetland The Faroe Islands is an important contribution to Scandinavian as well as regional and ethnic studies and to the growing literature combining the insights and techniques of anthropology and history Engagingly written and richly illustrated it will also appeal to scholars in other fields and to anyone intrigued by the lands and peoples of the North *The academy* ,1887 **A chronicle of the conquest of Granada. To which is added, Legends of the conquest of Spain** Washington Irving,1895 Woman under Monasticism Lina Eckenstein,2020-07-25 Reproduction of the original Woman under Monasticism by Lina Eckenstein **Saints' Legends** Gordon Hall Gerould,1916 Women in Myth and Legend Patricia Monaghan,1981 **American Myths and Legends** Charles Montgomery Skinner,1903 **The Debateable Land Between this World and the Next ...** Robert Dale Owen,1871 **Two Thousand and Ten Choice Quotations in Poetry and Prose, from the Master Minds of All Ages** Thomas W.
