In April of 2020 the Lord put on my heart to plant sunflowers and document every stage of their growth but I had no idea why Even though sunflowers are my favorite I know nothing about flowers except the are pretty When my husband was picking out fruit vegetable seeds to order for the garden I said I would like to get sunflower seeds This was out of character for me as I don t plant flowers Almost every day I went out to the garden to take pictures and see what the Lord would show me As the flowers grew my desire was to see a butterfly on the sunflower and the Lord honored that and I was able to capture the moment I was reminded of 2 Corinthians 5 17 and how the butterfly represented a new creature I began to wonder if this was the end of the story and soon after getting the picture of the butterfly a strong storm came and knocked over the sunflowers Even though it was the end of the garden it wasn t the end of the story I am Blessed to have witnessed God s beautiful message through the sunflowers and I pray you will be Blessed as well
