## Primer Witchcraft Academy:

*Black Witches and Queer Ghosts* Camille S. Alexander, 2024-04-16 This book is a collection of 13 essays centering on supernatural serials such as television programs video games anime and manga featuring teen protagonists and marketed to teen audiences. These essays provide discussions of characters in teen supernatural serials who disrupt white cisgender social narratives and addresses possible ways that the on screen depictions of these characters who may be POC or LGBTQIA can lead to additional discussions of more accurate representations of the Other in the media. This collection explores depictions of characters of color and or LGBTQ characters in teen supernatural serials who were are marginalized and examines the possible issues that these depictions can raise on a social level and possibly a developmental level for audience members who belong to these communities. The essays included in this collection thoroughly examine these characters and their narratives while providing nuanced examinations of how the media chooses to represent teens of color and LGBTQIA teens.

*The Collected Tales of Nikolai Gogol (illustrated): Weird Stories of demons, witches, and vampires, cossacks and crazy clerks - The Viy, Christmas Eve, A May Night, Taras Bulba, The Cloak, The Nose, The Carriage, Memoirs of a Madman* Nikolai Gogol, 2021-01-08

Nikolai Vasilievich Gogol 1809 1852 is by far the most enigmatic unexpected contradictory and mystical writer representing classic Russian literature. His stories are unforgettably colored with Ukrainian romance and include uncanny dissections of the realities of St Petersburg under Tsarist Russia. The ethnographic realities are described with almost scientific precision while incorporating those inexplicable fantasy elements that define his works as Magical Realism. Some stories feature witches, sorcerers, ghouls, mermaids, and even demons alongside quite pragmatic and cheerful Ukrainian citizenry. Others feature dull tsarist officials and crazy clerks with exaggerated and humorously complex personalities. You will be hard pressed to find such a brilliant combination of fantastical stories, plots, and characters in another author.
