YOUR CHILDREN'S INNER STRENGTH,
CONFIDENCE, ADAPTABILITY, GRIT, AND
INDEPENDENCE**

RAISING RESILIENT KIDS IN A CHALLENGING WORLD

A young girl with dark hair in a ponytail, wearing a white t-shirt and blue jeans, is climbing a large, three-dimensional white letter 'S'. She is positioned in the center of the cover, with her back to the viewer. She is holding onto the top of the 'S' with her right hand and has her left leg extended upwards, resting on the side of the letter. Her right foot is on the bottom of the 'S'. The background is a solid red color. The title text is in large, bold, white capital letters. The subtitle text is in smaller, bold, black capital letters.

Raising Resilient Children with a Borderline or Narcissistic Parent Margalis Fjelstad,Jean McBride,2020-11-03 Being partnered with a narcissist or borderline personality can be hard enough but learning how to shield children from the fallout is paramount Here the authors show readers how to manage parenting when a narcissistic or borderline partner is part of the equation Life in a narcissistic family system is at best challenging and too often filled with chaos isolation emotional outbursts and rigid controlling behaviors It is too often devoid of peace and emotional safety In the worst outcomes

children in these families grow up with low self worth issues with trust and belonging and a lack of self compassion They are at significant risk of carrying the cycle forward and having poor adult relationships This book offers a way to intervene and disrupt the cycle of negative outcomes for children Written by two family therapists who bring a combined total of sixty years of clinical practice with individuals and families the book pulls no punches giving clear headed advice easy to follow actions to help children and an abundance of teaching examples Instead of the doom and gloom scenarios often presented about life with a narcissist or borderline this book provides a much more positive outlook and most importantly it offers hope and a path to an entirely different outcome for the family members Supported by current research in neuroscience mindfulness and parenting information the book focuses on teaching resilience and self compassion to raise emotionally healthy children even in a narcissistic family system It starts by helping parents get a clear understanding of what they face with a narcissistic or borderline partner There is no room here for denial but there are also many options to explore It explains how and why the narcissistic family system functions so poorly for raising healthy children and pinpoints the deficits while providing information on how to intervene more effectively for the benefit of the children Using their years of experience the authors present ideas for staying together as well as knowing when to leave the relationship and how best to do that Emphasis throughout the book is on supporting and strengthening the reader with encouragement concrete ideas skills and compassionate understanding
