resistance to the forces of naturalization Stories told from the alien viewpoint Stories that use aliens as a manifestation of the fears and worries of specific places and eras Stories that transcend location and time speaking to universal issues of group identity and its relationship to the Other Nearly thirty authors in this reprint anthology grapple both the best and worst aspects of human nature and they do so in utterly compelling and entertaining ways Not One of Us is a collection of stories that aren't afraid to tackle thorny and often controversial issues of race nationalism religion political ideology and other ways in which humanity divides itself
