A Critique of Judgment in Film and Television S. Panse,D. Rothermel,2014-04-24 A Critique of Judgment in Film and Television is a response to a significant increase of judgment and judgmentalism in contemporary television film and social media by investigating the changing relations between the aesthetics and ethics of judgment **Beta Bucks, Alpha Fucks** Conrad Riker,101-01-01 Tired of Being a Disposable A T M in a Woman s World Discover How to Weaponize Truth Master the System and Live Free Do you feel cheated by a society that demonizes your masculinity but still demands your labor money and silence Are you exhausted by endless shit tests and the fear that love is just a transaction in a gynocentric regime Worried your life s value boils down to a paycheck and your death to an inheritance grab How this book will change your life trajectory Expose the empathy gap that lets society shrug at male suffering while coddling female whims Decode evolutionary psychology Why women can t love you the way you love them and why that s not your fault Crush the family court s industrial oppression with cold systematic strategy not hopeless rage Hack your biology Use biofeedback to erase anguish not pills or therapists who blame you Turn toxic masculinity traps into unshakable purpose without apologizing for existing Sidestep the marriage plantation s tax farms and emotional serfdom Borrow Job s grit and Christ s sacrifice without becoming a martyr for ingrates Build a life women can t confiscate ikigai brotherhood and legacy that outlives their lies If you re done being a cog in the gynocracy s machine and ready to forge a life that s truly YOURS buy this book today Your future self will thank you A Tale of Two Villains Calvin Cherry,2022-10-18 The millions of fans of Dracula and Harry Potter consist of all ages and varied enthusiasm ranging from a curious reader or leisure cinema observer to seriously devoted academic scholars However followers of each universe have been chiefly segregated rarely mingling apart from an occasional culture convention dominated by Star Wars Star Trek and Marvel heroes groupies But Stoker and Rowling readers have a lot in common because Count Dracula and Lord Voldemort have much in common These two internationally acclaimed bestselling novels possess a remarkable kinship Prepare to be delightfully surprised to discover that the godfather of all vampires and the infamous dark wizard share a deep character bond that goes far beyond the title monster Be intrigued to uncover what a coffin and a horcrux share or to dig further to unearth that the often overlooked scars which Bram Stoker wrote of in Victorian England are just as significant as those described by J K Rowling in the modern era Indeed it cannot be mere coincidence that Dracula is born in 1897 and 100 years later Harry is too A Tale of Two Villains is a love letter to both sets of fans paying homage to two superb authors and their extraordinary respective works setting both masterpieces on pedestals side by side for the first time exploring their similar themes unique parallelism and mystical symbolism The author delves profoundly into the interesting characters their traits conflicts and motivations to show how literary art is born This book is a must for any Stoker or Rowling fan Calvin H Cherry is the author of STOKER Evolution of a Vampire and fantasy and horror scholar Billboard ,2010-07-03 In its 114th year Billboard remains the world s premier weekly music

The whole gang is caught in life and death struggles as they near the end of this war But how close are they and who will survive **Sookie's Place(s)** Sarah Holder,2016 Charlaine Harris bestselling paranormal romance series the Southern Vampire Mysteries is only beginning to be understood as more than a cultural phenomenon but rather as a highly politicized and critical work of fiction that shines through genre designations such as romance mystery and fantasy Much of this praise can be attributed to the series heroine Sookie Stackhouse who gracefully traverses boundaries that divide what are arguably racial and ethnic groups ever at odds with one another as they share political and social space Her adventures therefore pose significant questions concerning diversity equality and nationalism but more obviously they ask what southernness has to do with these issues of identity The SVM situates itself between south as place and south as imaginary insisting on the utility of this region and its attendant baggage by localizing issues plaguing American collective consciousness such as identity politics and civil equality class castes and poverty racism and homophobia violence and hate crimes Such a south allows for the misdirection of American rhetoric which demonizes the south as the nation's Other but employs its given role to effect change to take Americanness to task That is here the south operates as not only a state of being i e a place an identity etc but also a process This thesis aims to locate where the process South operates in the SVM in bodies between bodies across communities in order to map its myriad successes and failures and thereby create a blueprint for reading the series real repercussions
