Understanding Public Debates Jens Martin Gurr, 2024-06-20 By historicizing and contextualizing them through readings of carefully selected literary texts literary studies can contribute to understanding and rationalizing key debates waged in many pluralist societies today whether on different conceptions of liberty identity politics historical commemoration challenges of globalization or responses to climate change *Understanding Public Debates* presents case studies including Milton's *Paradise Lost* P B Shelley's 1820 Reform essay Philip Roth's *The Human Stain* the songwriting of Neil Young and Edward Young's 1720s Sea Odes recent climate fiction as well as non literary conflict narratives Rather than mining texts for arguments for or against certain positions this book is interested in how texts stage these debates by means of multiple perspectives narrative situations or ambiguities By suggesting how educators might use literary texts as conversation starters for more rational debates the volume also contributes to Public Literary Studies Three important fields are here brought together 1 the study of societal debates and conflicts and the ways in which they challenge pluralist societies 2 explorations of the societal functions of literature and of non literary narratives and 3 discussions of the role and functions of literary studies The book ends with ten crisp theses on how literary studies can contribute to understanding and rationalizing such conflictive debates

Teaching the Literature of Climate Change Debra J. Rosenthal, 2024-04-26 Over the past several decades writers such as Margaret Atwood Paolo Bacigalupi Octavia E Butler and Kathy Acker have explored climate change through literature reflecting current anxieties about humans impact on the planet Emphasizing the importance of interdisciplinarity this volume embraces literature as a means to cultivate students understanding of the ongoing climate crisis ethics in times of disaster and the intrinsic intersectionality of environmental issues Contributors discuss speculative climate futures the Anthropocene postcolonialism climate anxiety and the usefulness of storytelling in engaging with catastrophe The essays offer approaches to teaching interdisciplinary and cross listed courses including strategies for team teaching across disciplines and for building connections between humanities majors and STEM majors The volume concludes with essays that explore ways to address grief and to contemplate a hopeful future in the face of apocalyptic predictions

Precarity in Contemporary Literature and Culture Emily J. Hogg, Peter Simonsen, 2021-04-22 The contemporary moment is characterized by precarity an expanding and intensifying vulnerability conditioned by political and economic structures Using literary and cultural texts to develop a nuanced and critical exploration of the concept of precarity that emphasizes its contemporary manifestations while also attending to its historical roots and existential dimensions this book examines the vulnerabilities which characterize our anxious existence including unemployment environmental crisis temporary contracts and patterns of migration Broken down into three key themes of feelings bodies and time *Precarity in Contemporary Literature and Culture* asks whether precarity can be considered a new phenomenon explores the relationship between precarity and traditional class politics analyses precarity's global dimensions and reflects on the links between
