Upon the king's death, however, Everard loses himself in his pain and brings a dark curse upon himself and the great Fortress that has long guarded the people of Destin. The prince's sin doesn't solely affect those of his citadel; however, Isabelle, the daughter of a local merchant, has suffered the prince's hasty temper before, and it changed her life forever. So when Everard's curse cuts off his people's source of protection and he demands that she, a crippled commoner, help him break it, her shock and horror are rivaled only by her indignation and even stronger desire to protect her family. All the while, Destin's enemy crouches at the foot of the Fortress's mountain, waiting for the right moment to capture the stronghold that has stood for a thousand years.
