*The Game Plan* Bryton W Keyes, 2020-10-29 In an age where it is easier than ever to search the internet for

financial advice it is tougher and tougher to work through the clutter and find good advice Too many people pay little to no attention to their finances and where their money goes This is something that can destroy people over time and prevent them from achieving goals they want to achieve in life We work so hard for our money shouldn't we make it work just as hard as we do Sports can provide a unique approach helping explain concepts to people in many different ways But what about personal finance Do sports offer relevant lessons in how people can improve their spending Cover their risks Invest more wisely I know that sports can bridge the gap between this abstract financial world and reality That's my goal of this book There are many personal finance books out there but what makes this book unique is its intertwining of the worlds of sport and finance Explaining things like investing or asset allocation in sports scenarios that make it more interesting and relatable than complicated and boring finance talk I want to take personal finance topics and concepts and put them into a sports situation that helps explain the topic in a simple way and make it more fun Because yes you don't need to be a financial whiz to have a solid financial picture Once this book shows you the basics of financial planning through a sports lens you will be surprised how much of it is common sense This book will be your playbook to financial success Time to get off the bench and get in the game Let the training or games begin

The Road to Financial Success: Joseph R. Mattera, 2005-10-10 This book is a trip down the road to financial success Along the way you will learn about goals and the reason it is important to have financial goals You will further your journey into the world of different investment products and how they work As you read you will understand in this easy to follow book how inflation and income tax tries to slow your journey down What can you do to try to limit the tax and beat inflation This question will get answered after you read the book You will learn all about insurance and the reasons you need it and the reasons you don't need it There are some real life compelling stories that portray situations where people did not have their financial lives in order and they paid the price big time What are the different types of IRAs What are some ways that we can prepare for our retirement Which one is the best for your journey Do you want to save for your children's college education What can we put our money into to provide for college education These are the questions that will get answered after you read The Road to Financial Success In the last chapter you will get a complete understanding of how and why Wills and Trusts are important You will see what the first Will in recorded history looked like You will learn with the use of certain trusts how to protect your assets from con artists and unscrupulous people Most importantly you will learn the best way to pass money on to the people you want and not the people you don't know and will never meet
