contradictory and mystical writer representing classic Russian literature His stories are unforgettably colored with Ukrainian romance and include uncanny dissections of the realities of St Petersburg under Tsarist Russia The ethnographic realities are described with almost scientific precision while incorporating those inexplicable fantasy elements that define his works as Magical Realism Some stories feature witches sorcerers ghouls mermaids and even demons alongside quite pragmatic and cheerful Ukrainian citizenry Others feature dull tsarist officials and crazy clerks with exaggerated and humorously complex personalities You will be hard pressed to find such a brilliant combination of fantastical stories plots and characters in
