The Story of You and Me Pamela DuMond, Writers' Handbook 2025 J. Paul Dyson, 2024-12-15 The 2025 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines. It contains over 1 500 listings including revised and updated listings from the 2024 edition and over 300 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 6 000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 900. So for example while there was only one option for Romance in previous editions you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural, Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance or even Amish Romance. The new edition includes Over 650 literary agents and agencies, Over 450 magazines and Over 500 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions online this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers contact details for literary agents, publishers and magazines this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2026. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions, listings, searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now. A Demigod's Saga Bhavesh Purohit,Deeksha Purohit,2013-11-06 The story cannot be confined to a mere fictional category It crosses boundaries and mingles with most of the categories including fantasy suspense love story romance philosophical humor intense family drama etc Though a fiction it covers the fantasy because of its superhero element it is a suspense because of the never ending twists and turns in the story its a love story between the protagonist and his lady love and its philosophical because whenever the superhero falls in the story he is forced to redeem his thinking and get himself motivated by listening to his elders wise thoughts There is a sting of dry humor in the dialogues and intense family drama because it involves relationship and their importance that we share in our everyday life The story revolves around a central theme of the real essence of life being Life is not about how many times we fail but how many times we rise above from our failures as the protagonist fails to deliver multiple times in the story but again raises himself above his failures forcing people to believe in him time and again Claimed by the Undead C.L.
